One of BuzzFeed's 21 Fantasy Books to Get Excited About This Winter ***One of Tor's 30 Most Anticipated SFF Books of 2021*** From the award-winning author of *Amatka* and *Jagannath*--a fantastical tour de force about friendship, interdimensional theater, and a magical place where no one ages, except the young In a world just parallel to ours exists a mystical realm known only as the Gardens. It's a place where feasts never end, games of croquet have devastating consequences, and teenagers are punished for growing up. For a select group of masters, it's a decadent paradise where time stands still. But for those who serve them, it's a slow torture where their lives can be ended in a blink. In a bid to escape before their youth betrays them, Dora and Thistle--best friends and confidants--set out on a remarkable journey through time and space. Traveling between their world and ours, they hunt for the one person who can grant them freedom. Along the way, they encounter a mysterious traveler who trades in favors and never forgets debts, a crossroads at the center of the universe, our own world on the brink of war, and a traveling troupe of actors with the ability to unlock the fabric of reality. Endlessly inventive, *The Memory Theater* takes us to a wondrous place where destiny has yet to be written, life is a performance, and magic can erupt at any moment. It is Karin Tidbeck's most engrossing and irresistible tale yet.
