Jayne Doe is a story told from the point of view of Jill who is a 13 year old girl and, for the lack of better word, a ghost. After her death her spirit hangs back for the sole reason of protecting Jayne from her boyfriend, Johnny, the murderer of Jill.

Jayne Doe by Jamie Brook Thompson - Goodreads

Jayne was the silver lining in the dark cloud that made up her life - her dysfunctional family that included her alcoholic mother, self-absorbed sister and pot-smoking brother, her struggle with her weight and her lonely existence. Jayne was the only normal one, the only person who loved her back. And Jill adored Jayne's boyfriend too.

escorted off the property. The real surprise comes days later—when Merilee is found dead in a pile of mulch . . . Lilly wishes she could stick to pruning roses and forget about Merilee’s murder—until her best friend and ex become suspects in an overgrown homicide case. Now, aided by the Garden Squad, an unlikely group of amateur crime solvers with a knack for planting, Lilly knows she has limited time to identify the true culprit and restore order to Goosebush. Heralds are the most powerful of all angels, secretive and feared, created for a single purpose. Only those most courageous and worthy earn a place within the elite choir, and only by breaking ancient oaths held sacred can the honor be stripped. It's a punishment that hasn't been imposed in over two-thousand years, until a single reckless act sets off a firestorm, threatening to consume all creation. Rise Hawke never suspected she'd been marked to play a role in the deadly events unfolding in the spiritual realm. Independent and resistant to authority, she isn't thrilled when she meets Dominik, an angel with new wings, an old grudge, and a mysterious agenda he's determined to impose. Vowing to uncover the secrets kept from her, Rise soon learns that knowing what you are isn't nearly as dangerous

as discovering why. Hunted by those who want to destroy her, and controlled by those who would see her fulfill her purpose, she is forced into a brutal battle set in motion long before she was ever born. It soon becomes clear that what one angel will risk to earn the title of Herald, is matched only by what another will do to keep it.

OIDV- Officer Involved Domestic Violence- Is real and it is happening across the US. Victims of OIDV victims have the least support network of all victims of violent crimes, and, we have the highest murder rate. It's hard for one's voice to be heard when you are hiding- or dead. I have been an "invisible woman for almost 4 years. I wrote my escape story from the "underground" to inspire, educate, assist other domestic violence victims and their advocates, and to reveal the personal Armageddon that high profile victims endure to stay alive. Along my dark journey, I have included my personal experience on how to begin an exit strategy from an abusive relationship; how to save critical documentation, tips for keeping invisible and off the grid, coping skills for PTSD and trauma, and encouragement to regain your life.

Gemma Doyle, a transplanted Englishwoman, has returned to the quaint town of West London on Cape Cod to manage her Great Uncle Arthur's Sherlock Holmes Bookshop and Emporium. The shop—located at 222 Baker Street—specializes in the Holmes canon and pastiche, and is also the home of Moriarty the cat. When Gemma finds a rare and potentially valuable magazine containing the first Sherlock Homes story hidden in the bookshop, she and her friend Jayne (who runs the adjoining Mrs. Hudson's Tea Room) set off to find the owner, only to stumble upon a dead body. The highly perceptive Gemma is the police's first suspect, so she puts her consummate powers of deduction to work to clear her name, investigating a handsome rare books expert, the dead woman's suspiciously unmoved son, and a whole family of greedy characters desperate to cash in on their inheritance. But when Gemma and Jayne accidentally place themselves at a second murder scene, it's a race to uncover the truth before the detectives lock them up for good. Fans of Sherlock Holmes will delight in the sleuthing duo of Gemma and Jayne in *Elementary, She Read*, the clever and captivating series debut by nationally bestselling author Vicki Delany.

This marvelous guide begins where other books on writing and the writing life leave off. Delving deep into the creative process, Bret Lott reveals truths we scarcely realized we needed to know but without which we as writers will soon lose our way. In ten intimate essays based on his own experiences and on the seasoned wisdom of writers including Eudora Welty, E. B. White, Henry David Thoreau, Henry James, and John Gardner, Lott explores such topics as • why write? why keep writing? • the importance of simple words • the finer points of character detail • narrative and the passage of time • the pitfalls of technique • making a plan-and letting it go • risking failure-and reaping the benefits • Accepting rejection Writers travel alone, but Bret Lott's book makes the journey less lonely and infinitely more rewarding. Before We Get Started will help you make your work as good as it can be: "Pay attention recklessly. Strain to see through the window of your own artistic consciousness in the exhilarating knowledge that there is no path to the waterfall, and there are a million paths to the waterfall, and there is, too, only one path: yours."

In 1993, Donna Palomba was raped by a masked assailant in her own

home. Yet, her story is more than a victim's tale of physical and emotional recovery. It is a story of one woman's hunt for justice while fending off attacks by institutions designed to defend and protect her—the police department, the local government, and a community clinging to an outrageous claim that Donna had invented the crime to cover up a sexual affair. From the night of the attack, the botched crime scene investigation, and the abuse as authorities attempted to close the case by discrediting her, Donna was left as a victim with no name and no identity. Meanwhile, there was one courageous detective, later to become chief of police, who broke a cops' code of silence in the name of justice. As they fought on, a legal battle ensued after the Waterbury Police Department—now with media support—refused to let go of its allegations against her and admit wrongdoing. Finally, after eleven years of struggle, Donna learned the identity of her attacker from the chief of police, who explained that the DNA from the rape kit taken a decade ago had turned up a shocking match. In 2007, Donna Palomba was the subject of a special two-hour Dateline episode about her case. Suddenly, she was Jane Doe no more, launching the Jane Doe No More organization and becoming a promoter of the rights of women and victims of sexual assault. With the help of crime investigator and author M. William Phelps, this is her story.
