down not long after they had taken their first breaths, and their Scythian mother was cruelly murdered when they were still children. But Satyrus and Melitta are children no more. They have learned how to fight, how to love, how to plot, and how to kill. Now it is time to leave their adopted home, the city of Alexandria, and the protection of Alexander the Great's former general, Ptolemy—and seek revenge. Now it is time to go to war.

Satyrus and Melitta, twin heirs to a rich kingdom on the Black Sea, were hounded into exile in funeral games after their mother was

Melitta were fighting for survival. Their father, a Greek mercenary, was cut down not long after they had taken their first breath; their Scythian mother was cruelly murdered when they were still children. But Satyrus and Melitta are children no more. They have learned how to fight, how to love, how to plot and how to kill. Now it is time to leave their adopted home, the city of Alexandria, and the protection of Alexander the Great's former general, Ptolemy - and seek revenge. Now it is time to go to war...

This book is about the clash

# Read Free King Of The Bosphorus

of the Hellenistic world with the Romans, about a late Hellenistic king, a dominant figure of the first century B.C., who refused to accept his inclusion in the Roman sphere of control, and attempted to assert his political independence. A subsidiary theme is the espousal of hellenism by a non-Greek dynasty. The work examines first the early history of Pontus, and then analyses carefully the events of Mithridates Eupator's reign for what they reveal of his foreign policy. Attention is focused on diplomacy, strategy, propaganda, support, rather than on military details.

# Read Free King Of The Bosphorus

There is no substantial study of Mithridates in English, and really only one in any language - Reinach's famous work of 1890. Since then, new inscriptions and coins have come to light, new methods and approaches devised. This book is intended as a contribution to the filling of a large scholarly gap.

This novel in the scintillating Tyrant series brings the epic siege of Rhodes in 306 BC to spectacular life. The death of Alexander the Great was the signal to begin the greatest war in human history - a war that swept

# Read Free King Of The Bosphorus

like a firestorm from one end of the known world to the other, as his former generals fought like jackals to make his vast empire their own. By 305 BC, the most powerful players in this deadly game faced each other across the Mediterranean: Ptolemy, the master of Egypt, and Antigonus One-Eye, master of Asia. And between them, the island of Rhodes, a strategic fortress city that neither could afford to cede to the enemy. But trapped in the city was one man with the courage and determination to save it from destruction. A man who, surrounded by his closest

# Read Free King Of The Bosphorus

friends and the woman he loved, simply could not afford to fail. A man called Satyrus.

The triumphant final volume in the epic series - a series of monumental battles, fascinating history and action-packed adventure. The vast and deadly conflict between Alexander the Great's former generals as they battle for control of his empire has reached a tense stalemate. No one seems able to strike the decisive blow. But with everything in the balance, a secret emerges: hidden in

# Read Free King Of The Bosphorus

the remote mountains is a young man who could change everything: Herakles, the son of Alexander. Whoever aspires to Alexander's mantle must now control his one legitimate heir - or destroy him - and a war being played across the known world is set for its final, bloody conclusion. As the rival armies converge on the village of Ipsus, twin monarchs Satyrus and Melitta know that they too must gamble their own lives and the survival of their Black Sea kingdom on the outcome...

Pliny's letters sent to Trajan from Bithynia, and

# Read Free King Of The Bosphorus

Trajan's replies are the only surviving file of letters between a provincial governor and his emperor. The edition makes this record accessible to even those with no knowledge of Latin.

The ancient Greeks traveled widely by sea and founded colonies in far-flung locations. On the north coast of the Black Sea were a number of such Greek settlements, places where the Greeks made contact with the local Scythian population. Greek goods were traded extensively throughout the region, and many of these often-

# Read Free King Of The Bosphorus

luxurious articles eventually made their way into tombs. From its wealth of such Greek finds from the Black Sea, the State Hermitage Museum in St. Petersburg has lent some 175 Greek objects to an exhibition at the J. Paul Getty Museum at the Getty Villa. This richly illustrated catalogue to the exhibition presents nine essays on the archaeology of the northern Black Sea region and its history, culture, and art, including sculpture, pottery, gems, and jewelry. Written by curators at the State Hermitage Museum, *Greeks on the Black Sea* presents an

# Read Free King Of The Bosphorus

intriguing world at once Greek and barbarian.

The book is devoted to upholding the author's concept of the formation of the state of Russia from the tribes of the Wends who came from the Baltic States, and the autochthonous tribes of the North-Siverts of Sarmatian-Hunnic origin, who had already created a state called the Khazar or Russian Khaganate. The book proves that the Sivertsy northerners are part of the Huns who have always lived in this territory, and it was their language that became the basis of the Russian language.
