In this extraordinary debut, Ashok Ferry chronicles, in a gently probing voice, the journeys of characters seeking something beyond the barriers of nations and generations. His tales of social-climbing Sri Lankans, of the pathos of immigration, of rich people with poor taste, of ice-cream karma, of innocent love, eternity, and more take us to Colombo's nouveau riche, hoity-toity returnees, ladies with buttery skin and square fingernails, old-fashioned aristocrats, and the poor mortals trapped between them. Ferry's stories comprise characters that are 'serious and fine and upstanding, and infinitely dull', but also others like

young John-John, who loses his childhood somewhere 'high up in the air between Asmara and Rome'; the maid, Agnes of God, whose mango-sucking teeth 'fly out at you like bats out of the mouth of a cave'; Ashoka, the immigrant who embodies his Sri Lankan identity only on the bus ride between home and work; and Professor Jayaweera who finds sterile freedoms caged in the 'unbending, straight lines of Western Justice'. Absurd, sad, scathing and generous, but mostly wickedly funny, Colpetty People presents modern Sri Lankans as they navigate worlds between Ceylon and the West.

Previously published in hardcover as DELCROIX ACADEMY: THE CANDIDATES. Danica Lewis accepts a scholarship to Delcroix Academy, a school for kids with special "skills." But once she arrives at the mysterious school, Danica suspects the recruiters know more about her "gift" than they're letting on.

Our Sri Lankan narrator visits his friend Joe in Italy, where Joe attends a special course—in higher (or, shall we say, lower) studies in women. Italians—much like Sri Lankans—live at home through marriage, death, and sometimes even beyond the pale. An accompanying string of fake fiancés and phoney engagements are the backdrop to this delightful collection of darkly humorous tales about Sri Lankans at home and abroad. Long years and many miles away, Colombo's Father Cruz attempts to rescue a church from parishioners who like to put their donations where others can see them—on large plaques; on the coast, a retired Admiral escapes the tsunami on an antique Dutch cabinet; two childhood

sweethearts, in time-honoured Sri Lankan tradition, are married off to strangers. Ashok Ferrey writes about Sri Lanka and its people, wherever they roam, with remarkable acuity. He writes of the West's effect on Sri Lankans, of its 'turning them into caricatures, unmistakably genuine but not at all the real thing'. In *The Good Little Ceylonese Girl*, his second collection of stories, he shows us the reality beyond those feeble sketches, in its full glory.
