Os de cheval, os de bœuf, voilà de quoi étaient faits les premiers patins à l'époque où ces derniers servaient de moyen de locomotion dans les pays englacés. Au cours des âges cette pratique est devenue un sport, le patinage, avec ses règles, ses exigences, ses vedettes. Ces dernières enchantent et nous les connaissons : de Sonia Henie aux J.O. de Chamonix en 1924, en passant par Dick Button, Alain Calmat, Janet Lynn, Irina Moieseeva et Andreï Minenko, Katarina Witt, Brian Boitano, Viktor Petrenko, Isabelle et Paul Duchesnay et maintenant Surya Bonaly. Comment devient-on champion ? Cela demande beaucoup de temps, un sévère entraînement, une technique sans faille, un mental d'airain, un bon entraîneur, un bon chorégraphe... Tout cela est consigné dans cet ouvrage remarquablement illustré par Gilbert Lundt et Jean-Yves Ruzniewski de l'agence Tempsport. Impossible après lecture de confondre encore un axel et un salchow.

Chaque titre de cette collection retrace brièvement les origines d'un sport avant d'en exposer sommairement les règles, techniques, équipement, jeux ou compétitions, règlements, athlètes célèbres, etc.

French vocabulary book + French dictionary This French vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic French-English as well as English-French dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This French learning resource is a combination of French vocabulary book and a two-way basic French dictionary: Part 1 - Topic based French vocabulary book: This is the main part of the book and represents a list of chapters each containing French vocabularies for a certain topic. The French vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-French dictionary: The index in the second half of the book can be used as a basic French dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic French-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for French words and directly find the English translation How to use this French vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The French dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the French translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic French dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning French and comes in particularly handy at times when there is no internet to look up words and phrases.

Organized by such common subjects as Home, Work, Dining Out, Transportation, Health and Sports, these bilingual visual dictionaries give students, travelers, and business people quick access to foreign terms in the simplest and most intuitive way.
