A compilation of quotations and proverbs from the most enlightened, intelligent, and forward thinkers in human history regarding the most important aspects of life. Compiled and arranged to give the reader a clear direction in their life based on their internal needs, wants, and desires. While no one on Earth is special, everyone is unique. Nobody past, present, or future has gone through or has had the same thoughts and experiences as you, nor will they in the future. As a result, you see the world in a completely unique way. Studying these volumes will guide your mind's eye in distinguishing the most significant passages to you and your being as well as reaffirming or contradicting what you already know and believe, by the wisest people throughout history. Out of the thousands of quotes and proverbs within these volumes, your personality will subconsciously pick out the most relevant quotes and proverbs to you and you alone. It would be a mistake to concentrate on only one topic because all the subjects are connected to aid you in reaching your own epiphany. Many of the most profound quotes and proverbs are recorded under various topics throughout the book. Though you may only be interested in "Success & Failure," many of the quotes and proverbs attributed to success can also be found under "Leadership," "Attitude," or even "Life, Purpose, & Growth," for example. The aim of this huge collection of human wisdom is enlightenment: to assist the readers in realizing what is truly important in life, as well as to find their true self; to shatter the illusions that everyone builds for themselves through false assumptions and stereotypes; to find their true inner being; to find purpose; and, most importantly, to discover what makes them and them alone happy. To receive the full benefit of these volumes and to fully immerse yourself in self-discovery, you must commit to studying the entire collection. If you only want to scratch the surface of what is important in life, then limit yourself to a single volume. But if you want to master your true purpose, then study all four volumes.

"Now You Can Unlock & Unleash Everything That Is Holding You Back And Keeping You From Moving Forward. Giving You "Clean Slate" To Obtain, Health, Wealth And Most Importantly... Peace of Mind! Let me introduce myself. My name is Dr. Mark Tong and I am a Spiritual Healer and Teacher that has developed a "Process" to identify the "Life Lessons" each individual is dealing with. Let's face it, we are all here learning and dealing with Spiritual lessons. The challenge with these lessons is having the awareness and knowing what these lessons are and what is needed to complete the lesson(s). As you know, by looking back at your own life, these "lessons" continue to repeat and seem to get harder and harder until we learn what we need to learn from them. You find them in your struggles with relationships, abundance, physical conditions and other various aspects of your life. BUT NOW YOU CAN DO SOMETHING... Seeing and understanding your own "Life Lessons" is difficult, and it can be challenging to identify and understand, let alone learn from them. HERE'S WHERE I COME IN... I have developed a special online audio and video program, where you will hear all about "Life Lessons" and how to identify, and more importantly, learn from the lessons so they will never repeat. AND IF THAT'S NOT ENOUGH... As part of the program you will receive an "Emotional Inventory Worksheet" along with the "Answer Key" that will lead you through your life events and associate each event with specific "Life Lessons" for that event. Not only is this a valuable resource for your Spiritual growth, but you will learn how to begin helping others with their own "Life Lessons" (priceless). This online program with help you identify: Your remaining "Life Lessons" Who is involved How many times it's repeated The Spiritual concepts tied to the "lessons" Plus: You will receive the tools to begin to "walk through" those "lessons."

Can God use a worn skirt to teach a lesson? He spoke through lilies of the field, a loaf of bread, and even a donkey. But a skirt? SEVEN SKIRTS FOR SEVEN SISTERS is the amazing story of a woman from America who traveled to Africa, carrying skirts to share with women she met on her journey. As Donna Coppersmith visited orphanages, homes, churches and refugee camps, she gave away these skirts. Each skirt became a "God Story" teaching powerful and practical lessons on how you can grow more deeply in a life of praying, listening and responding to God.
