Included with this Owner's Manual is the novel Romancing the Absurd, a story of redemption for two of the characters who dabble in consciously evolving their consciousness. When financial investigator Tony T. Trueblé is hired to interview key players in a major lawsuit against a venture capitalist group, his world is turned upside down as he is dragged through a seedy underworld of corruption, dishonesty, and murder. He must not only get the job done but do so without giving into his insatiable cravings for vodka, weed, and causal, meaningless sex. Sensational, satirical, and sometimes absurd, Romancing the Absurd is a literary murder mystery full of intrigue, suspense, philosophy, and absurdist cutthroat behavior. Nine people die under bizarre circumstances. A handful of people get screwed (in more ways than one). The story takes humorous and philosophical twists and turns, leaving you laughing at the murderous tactics some folks are willing to use to get ahead in this world. Throughout the story, there runs an undercurrent of reflection, hope, and redemption for Tony, who strives to right his wrongs, and Jim der Bacon, accused of murder yet able to focus on consciously evolving his own consciousness. For Tony, redemption comes through writing and his new awareness that one can consciously evolve their consciousness. Romancing the Absurd is the final result of Tony's studies, hard work, and shocking struggles with himself, others, and the universe
