Adding Value to your Marketing Course - Marketers understand that even the best
products and services will go unsold if they cannot communicate the value to the
customer. Understanding this value-based approach is critical for marketing
students today, and is at the forefront of this text, setting it apart. This approach is
emphasized throughout the text, and demonstrated through the use of the Adding
Value boxes found in each chapter. In their 4th edition of M: Marketing, Grewal and
Levy present a concise, impactful, and easy to read approach to Principles of
Marketing. The text delivers value to both instructor and student through the
engaging style and online assignment and assessment options. With monthly
updates provided in a newsletter and the dynamic video program, the instructor
support provided will bring marketing to life in any class setting. With a new

chapter on Social and Mobile Marketing, Grewal and Levy's *M: Marketing* continues to be among the most contemporary products for studying the principles of marketing today.

Grewal Marketing, Fourth Canadian Edition, focuses on the core concepts and tools that marketers use to create value for customers. Current and engaging Canadian examples integrated throughout the text define how companies and successful entrepreneurs create value for customers through branding, packaging, pricing, retailing, service, and advertising.

Value-Added, Every Time. Grewal's value-based approach emphasizes that even the best products and services will go unsold if marketers cannot communicate their value. *M: Marketing* is the most concise, impactful approach to Principles of Marketing on the market, with tightly integrated topics that explore both marketing fundamentals and new influencers, all in an engaging format that allows for easy classroom and assignment management. A robust suite of instructor resources and regularly updated Grewal/Levy author blog provide a steady stream of current, fresh ideas for the classroom. *Grewal/Levy's M: Marketing 6th edition* is available through McGraw-Hill Connect®, a subscription-based learning service accessible online through personal computer or tablet.

With crisp and insightful contributions from 47 of the world's leading experts in various facets of retailing, *Retailing in the 21st Century* offers in one book a compendium of state-of-the-art, cutting-edge knowledge to guide successful retailing in the new millennium. In our competitive world, retailing is an exciting, complex and critical sector of business in most developed as well as emerging economies. Today, the retailing industry is being buffeted by a number of forces simultaneously, for example the growth of online retailing and the advent of 'radio frequency identification' (RFID) technology. Making sense of it all is not easy but of vital importance to retailing practitioners, analysts and policymakers.
