A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC

and all the way to Spain-for a wedding. Let alone, someone eager to play along my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me. Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is

A gripping novel set during Mussolini's 1935 invasion of Ethiopia, *The Shadow King* takes us back to the first real conflict of World War II, casting light on the women soldiers who were left out of the historical record. With the threat of Mussolini's army looming, recently orphaned Hirut struggles to adapt to her new life as a maid in Kidane and his wife

Aster's household. Kidane, an officer in Emperor Haile Selassie's army, rushes to mobilize his strongest men before the Italians invade. His initial kindness to Hirut shifts into a flinty cruelty when she resists his advances, and Hirut finds herself tumbling into a new world of thefts and violations, of betrayals and overwhelming rage. Meanwhile, Mussolini's technologically advanced army prepares for an easy victory. Hundreds of thousands of Italians—Jewish photographer Ettore among them—march on Ethiopia seeking adventure. As the war begins in earnest, Hirut, Aster, and the other women long to do more than care for the wounded and bury the dead. When Emperor Haile Selassie goes into exile and Ethiopia quickly loses hope, it is Hirut who offers a plan to maintain morale. She helps disguise a gentle peasant as the emperor and soon becomes his guard,

inspiring other women to take up arms against the Italians. But how could she have predicted her own personal war as a prisoner of one of Italy's most vicious officers, who will force her to pose before Ettore's camera? What follows is a gorgeously crafted and unputdownable exploration of female power, with Hirut as the fierce, original, and brilliant voice at its heart. In incandescent, lyrical prose, Maaza Mengiste breathes life into complicated characters on both sides of the battle line, shaping a heartrending, indelible exploration of what it means to be a woman at war.
