Grammar and Language Workbook

As opposed to a style guide, which helps readers and speakers polish their English, a usage guide says what you can or can't do in the language and why. 'The McGraw-Hill Handbook of English Grammar and Usage' does so in an entertaining way.

---

The McGraw-Hill Handbook of English Grammar and Usage by ...

The book has a Grammar 101 section which goes over the basics of the English language. Some of those sections can get quite tedious, but I think it is worth while to go through them to better understand the Usage chapters.

Master 188 irregular verbs in English As an experienced student of English, you know the language can be a tricky one to learn thanks to its complex verb forms, like irregular verbs. Written by ESL guru Mark Lester--author of Grammar and Usage in the Classroom--this authoritative reference unravels the mystery of this verb form so you can take your English-language skills to the next level. For each entry, you'll get example sentences and conjugations, a complete listing of complements, the most important phrasal verb constructions, and common expressions--all in an easy-to-understand format. In no time you'll master irregular verbs and converse like a native English speaker!

The Only Grammar Book You'll Ever Need is the ideal resource for everyone who wants to produce writing that is clear, concise, and grammatically excellent. Whether you're creating perfect professional documents, spectacular school papers, or effective personal letters, you'll find this handbook indispensable. From word choice to punctuation to organization, English teacher Susan Thurman guides you through getting your thoughts on paper with polish. Using dozens of examples, The Only Grammar Book You'll Ever Need provides guidelines for: Understanding the parts of speech and elements of a sentence Avoiding the most common grammar and punctuation mistakes Using correct punctuating in every sentence Writing clearly and directly Approaching writing projects, whether big or small Easy to follow and authoritative, The Only Grammar Book You'll Ever Need provides all the necessary tools to make you successful with every type of written expression.

Introducing English Grammar introduces readers to the methodology and terminology needed to analyse English sentences. The approach taken is in line with current research in grammar, a particular advantage for students who may go on to study syntax in more depth. All the examples and exercises use real language taken from both standard and non-standard geographical areas and dialects, and include excerpts from Australian and British newspaper articles. Students are encouraged to think about the terminology as a tool kit for studying language and to test what can and cannot be described using these tools. This new edition has been fully updated and features: an expanded introduction; new texts and exercises that include data from social media; revised material on 'Grammar at work' and 'English worldwide'; more suggestions for further reading at the end of the book; a brand new companion website with extensive further reading and answers to the exercises, which can be found at [www.routledge.com/cw/borjars](http://www.routledge.com/cw/borjars). Written for readers with no previous experience of grammatical analysis, Introducing English Grammar is suited to anyone beginning a study of linguistics, English language or speech pathology, as well as to students whose interests are primarily literary but who need a better understanding of the structure of English.

Decode the mystery of English grammar to add polish to your papers, emails, business letters, and more English Grammar Demystified teaches the fundamentals of the subject in an easy, step-by-step approach that allows you to learn at your own pace. With help from this book, you will understand the parts of speech, learn to use punctuation correctly, master verb tenses, spot and avoid common grammatical errors, and improve your overall sentence structures. Throughout the book you can monitor your progress through self-tests, and a comprehensive final exam at the end of the book gives you instant feedback on new language skills.

Master American English and communicate with confidence As an experienced student of English, you know the language can be a tricky one to learn with its complex grammar and its many "exceptions to the rule" rules. Written by ESL guru Mark Lester--author of Grammar and Usage in the Classroom--this authoritative reference unravels these mysteries so you can take your English-language skills to the next level. You'll gain the confidence to speak English in any setting: in the workplace, at school, in social situations, and at home. Master those troublesome subjects that baffle even native speakers of English: articles \* determiners \* predicate adjective complements \* post-noun modifiers \* conjunctions \* word order \* verb tenses \* modals \* noun clauses
