Mental arithmetic and aural tests /

SpringerLink

In the GCSE, you may be expected to sit a short mental arithmetic test as

Acces PDF

Mental

part of the final And
examination. Although
the skills necessary to
do well have been
acquired over a number
of years, there are still
points to watch out for,
as shown in the
following examples.
Study them first, and
then try some of the
practice papers.

The third edition of
Psychiatric Care of the
Medical Patient brings a
classic reference text
into the twenty-first
century. It combines
critical scholarship with
the voice of expert
clinicians who work at
the interface of

Acces PDF

Mental

psychiatry with medical specialties. It is meant to be read for pleasure as well as consulted as a reference. The editors have worked with the authors to bring a consistent perspective to the book - one that sees the medical psychiatrist as an agent for bringing a more comprehensive perspective to medical care. Even seasoned and

Acces PDF

Mental

knowledgeable And
practitioners will find
much that is new to
them in this book. The
volume covers topics in
depth that other books
in the field may not
cover at all, such as the
use of herbal and
nutritional therapies for
medical-psychiatric
symptoms and
syndromes, and the
choice of questionnaires

Acces PDF

Mental

to supplement history-taking. It looks at old topics in a new way:

The chapter on the physical examination applies psychometric considerations to the Babinski sign, describes the method and application of quantitative bedside olfactory testing, and discusses smartphone apps to improve the

Acces PDF

Mental

sensitivity of the
examination. Psychiatric
Care of the Medical
Patient, 3rd Edition

provides concepts and
information to facilitate
the dialogue between
psychiatrists and general
medical specialists -
minimizing psychiatric
jargon and speaking in
the common language of
caring and curious
physicians.
