The Merchant of Venice may refer to the character Antonio, a wealthy Venetian merchant whose trade and relationships intersect in ways that place him in mortal danger when he makes a deal with a moneylender. However, an alternate title that appears in early records, The Jew of Venice, calls this reading into question. The original double title raises questions regarding the identities of the play's hero and villain and the play's stance on anti-Semitism.

The Merchant of Venice is set in Italy in the sixteenth century, mainly in Venice. At that time, Venice was an independent city-state. In Shakespeare's era, setting plays, especially comedies, in Italy was a popular practice, and Shakespeare used Italian settings for many of his works. Since ancient times, Venice had been a center of naval trade. The city functioned as a meeting point between Western European lands and Eastern regions.
