This isn't one of those daunting computer manuals that you'll read three pages of and then give up on. It's an engaging little book that you'll tear through in an evening, and by the time you finish you'll have a great understanding of all the ways your Nexus 7 can improve your life. Noted author Erik Marcus, who started his career as a technical writer, took on this project because a tablet with the mass appeal of the Nexus 7 deserves a book that's fun to read. Marcus never shies away from telling you what he really thinks, and he'll let you know where your Nexus 7 shines, where it stumbles, and how to wield your tablet like a pro.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Avid Media Composer is the standard editing system used by professionals in the film and television industries and with its many capabilities available at a low price, it's well within the range of serious non-professionals too. With this latest release, Avid proves to be more innovative than ever in a fast-paced world of digital media. Here to guide readers on the foundations of editing using Avid Media Composer 5 is the only book on the market officially developed and approved by Avid and used in its training courses. Each chapter covers a complete lesson in the fundamentals, with step-by-step instructions and accompanying screenshots included so readers can absorb the details and start using the program right away. After discovering how to use the tools and understanding the editing workflow, they'll go on to learn basic editing, timeline editing, and trimming, and then move on to refining audio, adding effects, performing color correction, creating titles, and finally managing projects and delivering the finished work. They'll also learn about groundbreaking capabilities new to this version of Media Composer such as a drag-and-drop Timeline that allows its users to mix formats, frame rates, and resolutions, new direct editing capabilities for QuickTime, RED, XDCAM, and other tapeless media, and much more. Not only that, with the included DVD, readers can dive right in and follow along with the projects using professional footage from top television shows and films. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

An unflinching story about justice, courage, and the life of one young man behind bars. It started out as an innocent day for Martin, but it quickly turned into his worst nightmare--arrested for something he didn't even mean to do. And five months later, he is still locked up in jail on infamous Rikers Island. Just when things couldn't get worse, Martin gets caught in a fight between two prisoners, and his face is slashed. He's scarred forever, but one good thing comes from the attack: Martin is transferred to a part of Rikers where inmates must attend high school. When he meets his caring and understanding teacher, will Martin open up and learn from his situation? Or will he be consumed by prison and getting revenge on his attackers? "Volponi, who taught on Rikers Island for six years, writes with an authenticity that will make readers feel Martin's fear."--Publishers Weekly "Volponi . . . brings to life a believable range of teachers, COs, and inmates and portrays power, hierarchies, and race relations both outside and inside the jail walls with unflinching realism."--School Library Journal "With down-to-earth language based on his own experiences . . . Volponi captures the reader."--VOYA
