For over 2,000 years after the physical death of Jesus Christ on the Cross, mankind has been asking serious questions about the purpose of life here on earth due to religious confusion, premature deaths, diseases, poverty, famine, illnesses, natural disasters, wars, terrorism, climate change, broken marriages, drought, corruptions, greed, depression, recessions, slavery, addiction, accidents, deformities, immorality, selfishness, repression, etc. Life has been so difficult for most inhabitants of this planet, especially people in poor and underdeveloped parts of the world. Many people have lost faith in God, and some do not even believe that He exists. This book explains my true life story, the story leading up to the external voice of God to me, the reason for the worlds problems, and also the ultimate solutions to the worlds unending problems. Gods anointed single worldwide leader is the only person who can take everyone around the globe forward to everlasting unity, peace, and stability. I am back and ready to put things right once and for all here on planet earth, and I want leaders of this present world to seriously consider my claim as the ultimate leader of the entire world. This book is primarily directed to every soul on this planet,

especially believers of the existence of the Almighty God, mostly Judaism, Christianity, Islam, and all other religious establishments that exist. We must all now stand up together for what we believe to be true and move the people of this planet to the promised world. Almighty God will richly bless you as you read this book with an open mind. When the world has lifted up the Son of Man, then you will know that I am He, and that I do nothing of myself, but as My Father taught and directs Me, I speak these things. The purpose of life here on earth is to honour and obey Gods words, worship Him by faith, in truth and in spirit, to work hard and help each other and then enjoy the beauty and majesty of this planet in unity, peace, love and harmony and also the planets our Father is about to reveal to mankind. The ultimate purpose of life is to become gods and to lead an everlasting life.

As both an idea and an institution, the family has been at the heart of Chicano/a cultural politics since the Mexican American civil rights movement emerged in the late 1960s. In *Next of Kin*, Richard T. Rodriguez explores the competing notions of *la familia* found in movement-inspired literature, film, video, music, painting, and other forms of cultural expression created by Chicano men. Drawing on cultural studies and feminist and queer theory, he examines representations of the family that reflect and support a patriarchal, heteronormative nationalism as well as those that reconfigure kinship to encompass alternative forms of belonging. Describing how *la familia* came to be adopted as an organizing strategy for communitarian politics, Rodriguez looks at foundational texts including Rodolfo Gonzales's well-known poem "I Am Joaquín," the Chicano Liberation Youth Conference's manifesto *El Plan Espiritual de Aztlán*, and José Armas's *La Familia de La Raza*. Rodriguez analyzes representations of the family in the films *I Am Joaquin*, *Yo Soy Chicano*, and *Chicana*; the Los Angeles public affairs television series *¡Ahora!*; the experimental videos of the artist-activist Harry Gamboa Jr.; and the work of hip-hop artists such as Kid Frost and Chicano Brotherhood. He reflects on homophobia in Chicano nationalist thought, and examines how Chicano gay men have responded to it in works including Al Lujan's video *S&M in the Hood*, the paintings of Eugene Rodríguez, and a poem by the late activist Rodrigo Reyes. *Next of Kin* is both a wide-ranging assessment of *la familia*'s symbolic power and a hopeful call for a more inclusive cultural politics.
