No One Here Gets Out Alive: A Tribute to Jim Morrison (Video 1981)

No One Here Gets Out Alive: A Tribute to Jim Morrison ...

No One Here Gets Out Alive (1980) was the first biography of Jim Morrison, lead singer and lyricist of the L.A. rock band The Doors. Published nearly a decade after Morrison's death by journalist Jerry Hopkins, the first draft was written solely by Hopkins, based on an extensive interview with Morrison.

No One Here Gets Out Alive - Wikipedia

No One Here Gets Out Alive traces the story of Jim Morrison's tragic and triumphant life to his sudden and mysterious death in Paris on 3rd July 1971. Today, nearly 30 years later he remains the major rock'n'roll cult hero of the sixties.' Customers who bought this item also bought.

No One Here Gets Out Alive: The Biography of Jim Morrison ...

No One Here Gets Out Alive strips bare the facts from the fantasies of his life and mysterious death in Paris in 1971, exposing the myth-maker who was both hailed as a poet of the counter culture and reviled as a corruptor of youth. brilliant, charismatic, and obsessed seeker who rejected authority in any form, the explorer who probed "the bounds of reality to see what would happen..." Seven years in the writing, this definitive biography is the work of two men whose empathy and experience with Jim Morrison uniquely prepared them to recount this modern tragedy: Jerry Hopkins, whose famous Presley biography, *Elvis*, was inspired by Morrison's suggestion, and Danny Sugerman, confidant of and aide to the Doors. With an afterword by Michael McClure.

Here is Jim Morrison in all his complexity-singer, philosopher, poet, delinquent-the brilliant, charismatic, and obsessed seeker who rejected authority in any form, the explorer who probed "the bounds of reality to see what would happen." Seven years in the writing, this definitive biography is the work of two men whose empathy and experience with Jim Morrison uniquely prepared them to recount this modern tragedy: Jerry Hopkins, whose famous Presley biography, *Elvis*, was inspired by Morrison's suggestion, and Danny Sugerman, confidant of and aide to the Doors. With an afterword by Michael McClure.

A portrait of Jim Morrison is based on seven years of research and tells the story behind his musical genius, worship of darkness, rejection of all forms of authority, and tragic death when his life spun out of control, in a new edition of the compelling biography honoring the thirty-fifth anniversary of the singer's death. Reprint.

Read PDF No One Here Gets Out Alive Danny Sugerman

Jim Morrison, lead singer of the Doors, has achieved a bizarre cult status since his death in 1971. Morrison was one of the most popular and controversial figures to emerge during the sixties; described as an 'erotic politician', poet, shaman, Dionysian drunk, his style and influence have grown steadily in the twenty years since his death, so that the real man has gradually disappeared behind the legend. Now, in *The Lizard King: The Essential Jim Morrison*, Morrison's biographer Jerry Hopkins, co-author of *No One Here Gets Out Alive*, reassesses Jim's life and provides fresh insights into him as a human being rather than the myth that he has become. But this reassessment is only part of this remarkable book. At its heart is a series of interviews with Jim Morrison by journalists including Hopkins himself, Ben Fong-Torres, John Tobler, Bob Chorus, Salli Stevenson, Richard Goldstein and the late John Carpenter, Morrison shows himself to have been articulate, intelligent and witty. Published uncut, these interviews provide a unique insight into a man who consciously created his own myth, then lived to regret it. Stripping bare the facts from the fantasies of Jim's death in Paris in 1971, and taking a long hard look at what has happened since to the people who he left behind, *The Lizard King: The Essential Jim Morrison* brings sharply into focus the broken dreams and unreachable ideals of one of the sixties' most enduring icons.

At the age of thirteen, Danny Sugerman- the already wayward product of Beverley Hills wealth and privilege- went to his first Doors concert. He never looked back. He

Read PDF No One Here Gets Out Alive Danny Sugerman

became Jim Morrison's protégé and- still in his teens- manager of the Doors and then Iggy Pop. He also plunged gleefully into the glamorous underworld of the rock 'n' roll scene, diving headfirst into booze, sex and drugs: every conceivable kind of drug, ever day, in every possible permutation. By the age of twenty-one he had an idyllic home, a beautiful girlfriend, the best car in the world, two kinds of hepatitis, a diseased heart, a \$500 a day heroin habit and only a week to live. He lived. This is his tale. Excessive, scandalous, comic, cautionary and horrifying, it chronicles the 60s dream gone to rot and the early life of a Hollywood Wild Child who was just brilliant at being bad.

A cofounder of The Doors describes the origins of the legendary rock group and their music, details their nihilistic lifestyle, and offers insight into the life and times of rock icon Jim Morrison

Jerry Hopkins's *Elvis: A Biography* was the first book on popular music to top the U.S. bestseller list, and its sequel was equally popular. Long out of print, both books, along with a wealth of exciting new interviews, are brought together in *Elvis* to form the most exhaustive account available of the King's life. Telling the complete story of Presley's rise and fall, from his poverty-stricken childhood in Tupelo through his musical development and emergence as pop's first superstar to his decline and death, the book explores Presley's singular appeal, his far-reaching influence, and his extraordinary legacy. Featuring newly published firsthand

Read PDF No One Here Gets Out Alive Danny Sugerman

interviews with people close to Elvis — including high school teachers, girlfriends, directors, agents, recording engineers, bodyguards, sidemen, karate instructors, medical professionals, and even his personal jeweler — Elvis presents a comprehensive and amazingly intimate look at this cultural icon.

“This book is the real story.”—Robby Krieger “[John] Densmore's is the first Doors biography that feels like it was written for the right reasons, and it is easily the most informed account of the Doors' brief but brilliant life as a group. . . . Densmore is a fluent, articulate writer who both comprehends the Doors' unearthly power and is on familiar terms with their antecedents in literature, theater, and myth.”—Rolling Stone “Well-written and touching . . . tells it all and tells it honestly.”—The New York Times Book Review “John Densmore's *Riders of the Storm* is as good an account of the history of the Doors as has been printed to date.”—USA Today “*Riders on the Storm* is very enjoyable, especially its homespun and self-experienced insights. John Densmore is a survivor and a seeker.”—Oliver Stone

Thirty-five years after his death in Paris at age twenty-seven, Jim Morrison's iconic legend remains as powerful as ever, swathed in the mists of mystery. There have been numerous biographies about the self-proclaimed "Lizard King's" life and career. But none have examined his roots and childhood, the intellectual foundations of his music, his wild days with the Doors, and his enigmatic early

Read PDF No One Here Gets Out Alive Danny Sugerman

death as completely and insightfully as *Break On Through*. More than simply a fascinating look at a rock legend whose cult following never stops growing, here is the definitive Morrison biography: his angry relationship with his father; the early tragedies and terrible events responsible for the darkness of his artistic vision; his private life and legal trials, including his infamous Miami obscenity bust; and the truth about his final hours. Based on extensive research and featuring dozens of rarely published photographs, this is the authoritative portrait of the poet, the grim visionary, the haunted man, and his haunting music.

Fowlie, presents a study of the similarities in the lives of French poet, Rimbaud and rock singer, Morrison. Both were alienated rebels, were associated with poetry and Africa, and died young. Morrison's lyrics were influenced by Rimbaud's poetry.
