One Million Lovely Letters is one woman's inspirational journey to recovery. A witty and uplifting testament to the power of words to heal the heart and mind. As featured on 'Jodi's Lovely Letters', part of the popular BBC One series 'Our Lives'. In the summer of 2011, aged only 22, Jodi Ann Bickley contracted a serious brain infection that would change her life forever. Jodi had been performing at Camp Bestival on the Isle of Wight. Returning with pockets full of glitter, she thought the happy memories would last forever. A week later, writhing in pain on the doctor's surgery floor,

Jodi found out that she had been bitten by a tick and contracted a serious brain infection. Learning to write and walk again was just the start of the battle. In the months that followed Jodi struggled with the ups and downs of her health and the impact it had on her loved ones. Some days Jodi found herself wondering whether she could go on. She had two choices: either to give up now or do something meaningful with the time she had been given. Jodi chose the latter. This is the story how she turned her life around. 'An extraordinary woman.'

It's not what you say, it's the way that you say it. And there's no better way of talking to somebody than with a letter. Nothing else matches the intimacy, care and fulfilment found in sending and receiving letters. A letter can be the greatest gift. It's a keepsake, a captured memory, an heirloom. This book contains everything you need -- from the prompts to get you writing to the paper to write on -- to begin connecting with people in a slower, more personal way. And for you, the writer, it is a mindful, meditative practice; a way back to yourself. Say it with a

An epistolary novel set on a fictional island off the South Carolina coastline, 'Ella Minnow Pea' brings readers to the hometown of Nevin Nollop, inventor of the pangram 'The Quick Brown Fox Jumps Over the Lazy Dog'. Deified for his achievement in life, Nevin has been honored in death with a monument featuring his famous phrase. One day, however, the letter 'Z' falls from the monument, and some of the islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride them-selves on their

love of language, this is seen as a tragedy. They are still reeling from the shock when another tile falls. And then another... In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

Four curvy heroines. Four deployed soldiers. Four love stories—and they all begin with just one letter. It started with *One Letter*. Kellie sent one letter into the Middle East and Sargent

Daniel Rodriguez was the one who answered. Despite an ocean between them, love blossomed. But can you truly love someone you've never met? It began with One E-Mail. Madelyn sent out one e-mail to the most feminine name on a list of deployed soldiers—SFC Taylor Russell replied. They exchanged e-mails for months, until somewhere along the way they stopped exchanging words and began exchanging pieces of themselves. Their love blossomed quickly, but will it prove strong enough to survive the test of family? It happened One Christmas. Jane wrote a letter and Sgt Brad Wilcox replied. Despite

their age difference, they connected with their words. But when they finally came together, their differences became glaring. They'd already conquered distance, but will they be able to overcome the years between them-or will their time together be limited to one Christmas? It was sparked by One Note. Lauren sent a note of encouragement to her newest assigned soldier-Private Mason Carter was that soldier. Despite their attempts to remain guarded with one another, the walls fall fast, and then in the blink of an eye the unthinkable happens. No stranger to loss, Lauren is

"It was such a unique and introspective experience, seeing the different kinds of love Serenity had experienced through her life and to be able to learn from something that didn't happen to me but felt like a distant memory." Inspired by 'To All the Boys I've Loved Before'... Serenity likes writing on paper. From planning assignments to seeking closure by writing love letters. Serenity has always admired the art of romance. When did letters

become traditional? She grew up with love being apparent in all aspects of life.

Every time, she loved someone, she gave her all and couldn't resist loving them back with every piece of her heart. When they weren't a part of her life anymore, she found comfort in writing down her thoughts and feelings on pieces of paper. These seven boys contributed something to her life, whether it was Troye's enthusiasm, Mark's confusion, August's teachings, Silas' friendliness, Justin's loyalty, Kaleb's mystery and Raymond's love. She knew closure was impossible. So,

she wrote. The letters stayed hidden away until one drunk night, Serenity sent them. Now there is no way of undoing her actions and she simply isn't ready to face the consequences of her new future being dictated by the boys from her past.

Carmel Sheehan was raised in an orphanage in Dublin, and always believed what she was told, that her unmarried mother abandoned her as a newborn. Forty years later, living in rural Ireland, in an unfulfilling marriage, and she has no reason to suspect that version of her past was untrue, until she gets a Facebook message one

day from a stranger claiming it was all lies. In this gripping boxed set, Carmel begins a journey of discovery that takes her back to a time long before she was born when love and loyalty, betrayals and secrets decided her fate. The reality of her true story is both shocking and heartwarming, and Carmel learns that in order to go forward, she must first make peace with her past.

Rilke's timeless letters about poetry, sensitive observation, and the complicated workings of the human heart. Born in 1875, the great German lyric poet

Rainer Maria Rilke published his first collection of poems in 1898 and went on to become renowned for his delicate depiction of the workings of the human heart. Drawn by some sympathetic note in his poems, young people often wrote to Rilke with their problems and hopes. From 1903 to 1908 Rilke wrote a series of remarkable responses to a young, would-be poet on poetry and on surviving as a sensitive observer in a harsh world. Those letters, still a fresh source of inspiration and insight, are accompanied here by a chronicle of Rilke's life that shows what he was
