Oney: My Escape From Slavery by Diana Rubino and Piper Huguley is an epic historical novel that blends fact and fiction into a marvellous tale. Oney was a forward thinking young woman who wanted not only her freedom. "I've had enough of bein' property. I wanna own my own body." She wanted an education too.

Oney: My Escape From Slavery eBook: Rubino, Diana, Huguley ...

That was the day Oney decided to escape. She attended meetings where she met many free blacks willing to help her, and on May 21, 1796, Oney walked past the Washingtons and out the front door. They knew she'd escaped to Portsmouth, New Hampshire. But after two years Oney still eluded their capture. In an act of unexpected lenience, Lady Washington gave up on Oney and let her remain free.

Oney, My Escape From Slavery, by Diana Rubino and Piper ...

Synopsis ONEY-MY ESCAPE FROM SLAVERY is the life story of Oney Judge, Martha Washington's 'favorite servant.' In Oney's words, she shows the striking contrasts and the surprising parallels between the First Lady's life and hers, as owner and slave. They both longed for freedom, but in different ways.

Oney - My Escape From Slavery | Diana Rubino

ONEY, MY ESCAPE FROM SLAVERY by Diana Rubino Ona Maria Judge, known as Oney, was Martha Washington's house slave. With the help of free blacks, she escaped, never to be recaptured. Her passion can be summed up in one word: freedom.

Oney Judge, a Brave Girl Who Escaped the Washingtons ...

An Excerpt from ONEY, MY ESCAPE FROM SLAVERY. The hour finally came-while they ate dinner. Nothing heaved my heart-not remorse, not guilt, not sadness upon fleeing my master and mistress. Raw thirst for freedom overcame all that. I walked straight past the Washingtons and out that door.

It is 1793 - a decade after General George Washington led America to victory in its fight for independence from Britain. With freedom secured, the general has been persuaded to accept a second term as president of the new nation. But in his heart he wants to go back to being a farmer. And being a farmer means he has slaves. Leading a nation is a demanding and often lonely business and Lady Washington is unable to persuade her husband to give up his public 'duty'. At least she has help. Oney Judge is her 'personal servant' - and soon-to-be confidante. Oney is a 'quadroon' - three parts white and one part black. So, unlike the white people who so recently gained their independence from the Mother Country, Oney is not free. She is Lady Washington's inherited property, though the word 'slave' is never spoken. Oney works in "the big house" at Mount Vernon, sewing dresses and serving tea. Lady Washington treats her as well as her own grandchildren. But though she is often mistaken as a Washington relative by visitors, Oney remains in bondage. In the spring of 1796, Lady Washington tells Oney that she will make her granddaughter Eliza a nice wedding gift. Oney soon discovers this does not mean sewing a negligee or a quilt for a gift. No, it means that she will be the gift. This is the day that Oney decides to escape - to put her forced bondage behind her and make her bid for freedom. On May 21, 1796, Oney walks straight past the Washingtons and out the front door. Although they make several attempts to capture her, she lives the rest of her life in freedom. Diana Rubino's Oney: My Escape From Slavery is a painstakingly re-imagined account of a true and painful story told generations on. At its heart is the paradox of liberty - for an individual, for a race, for a nation. In a modern world where cultures and histories collide, it is a timely reminder of perspectives on 'slavery' and 'freedom' that we may have become blind to. It is a big, strong, uplifting book with a soul. Diana Rubino specialises in historical romance, sometimes with a touch of the paranormal, her favourite areas being Medieval and Renaissance England and all American history. A longtime member of Romance Writers of America, the Richard III Society, and the Aaron Burr Association, she recently completed a romantic thriller about Alexander Hamilton and biographical novels about Eliza Jumel Burr and Nathaniel Hawthorne's wife Sophia. Piper G Huguley is a two-time Golden Heart® finalist and is the author of Migrations of the Heart, a three-book series of historical romances set in the early 20th century featuring African American characters. Huguley is also the author of the Home to Milford College series. Her new series Born to Win Men starts with A Champion's Heart, which was named by Sarah MacLean of The Washington Post as a best romance novel selection for December 2016.

When I was four and my daddy left, I cried, but I understood. He had become part of the Gone. Oney Judge is a slave. But on the plantation of Mount Vernon, the beautiful home of George and Martha Washington, she is not called a slave. She is referred to as a servant, and a house servant at that -- a position of influence and respect. When she rises to the position of personal servant to Martha Washington, her status among the household staff -- black or white -- is second to none. She is Lady Washington's closest confidante and for all intents and purposes, a member of the family -- or so she thinks. Slowly, Oney's perception of her life with the Washingtons begins to crack as she realizes the truth: No matter what it's called, it's still slavery and she's still a slave. Oney must make a choice. Does she stay where she is -- comfortable, with this family that has loved her and nourished her and owned her since the day she was born? Or does she take her liberty -- her life -- into her own hands, and like her father, become one of the Gone? Told with immense power and compassion, Taking Liberty is the extraordinary true story of one young woman's struggle to take what is rightfully hers.

A startling and eye-opening look into America's First Family, Never Caught is the powerful story about a daring woman of "extraordinary grit" (The Philadelphia Inquirer). When George Washington was elected president, he reluctantly left behind his beloved Mount Vernon to serve in Philadelphia, the temporary seat of the nation's capital. In setting up his household he brought along nine slaves, including Ona Judge. As the President grew accustomed to Northern ways, there was one change he couldn't abide: Pennsylvania law required enslaved people be set free after six months of residency in the state. Rather than comply, Washington decided to circumvent the law. Every six months he sent the slaves back down south just as the clock was about to expire. Though Ona Judge lived a life of relative comfort, she was denied freedom. So, when the opportunity presented itself one clear and pleasant spring day in Philadelphia, Judge left everything she knew to escape to New England. Yet freedom would not come without its costs. At just twenty-two-years-old, Ona became the subject of an intense manhunt led by George Washington, who used his political and personal contacts to recapture his property. "A crisp and compulsively readable feat of research and storytelling" (USA TODAY), historian and National Book Award finalist Erica Armstrong Dunbar weaves a powerful tale and offers fascinating new scholarship on how one young woman risked everything to gain freedom from the famous founding father and most powerful man in the United States at the time.

After serving Martha Washington loyally for twenty years, Oney Judge realizes that she is just a slave and must decide if she will run away to find true freedom.

In 1796, after being moved to the President's house in Philadelphia, a slave escapes from her owners--George and Martha Washington--and settles in a free Black community in New Hampshire. Based on a true story.

Runaway is a powerful, lyrical OwnVoices picture book about the enslavement of Ona Judge and her self-emancipation from George Washington's household. Ona Judge was enslaved by the Washingtons, and served the President's wife, Martha. Ona was widely known for her excellent skills as a seamstress, and was raised alongside Washington's grandchildren. Indeed, she was frequently mistaken for his granddaughter. This biography follows her childhood and adolescence until she decides to run away. This book doesn't shy away from the horrors of slavery, nor the complex role of house servants. Author Ray Anthony Shepard implicates the reader in Ona's decision to emancipate herself by using a rhetorical refrain, "Why you run, Ona Judge?" This haunting meditation welcomes meaningful and necessary conversation among readers. Illustrator Keith Mallett's rich paintings include fabric collage and add further feeling and majesty to Ona's daring escape.

"A brilliant work of US history." --School Library Journal (starred review) "Gripping." --BCCB (starred review) "Accessible...Necessary." --Kirkus Reviews (starred review) A National Book Award Finalist for Nonfiction, Never Caught is the eye-opening narrative of Ona Judge, George and Martha Washington's runaway slave, who risked everything for a better life--now available as a young reader's edition! In this incredible narrative, Erica Armstrong Dunbar reveals a fascinating and heartbreaking behind-the-scenes look at the Washingtons when they were the First Family--and an in-depth look at their slave, Ona Judge, who dared to escape from one of the nation's Founding Fathers. Born into a life of slavery, Ona Judge eventually grew up to be George and Martha Washington's "favored" dower slave. When she was told that she was going to be given as a wedding gift to Martha Washington's granddaughter, Ona made the bold and brave decision to flee to the north, where she would be a fugitive. From her childhood, to her time with the Washingtons and living in the slave quarters, to her escape to New Hampshire, Erica Armstrong Dunbar, along with Kathleen Van Cleve, shares an intimate glimpse into the life of a little-known, but powerful figure in history, and her brave journey as she fled the most powerful couple in the country.

President George Washington and his wife enslaved more than 150 people in the mid-1700s. In 1796, one of their slaves escaped. Her name was Oney Judge. Oney Judge: Escape from Slavery and the President's House explores her story and her legacy. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

Young Oney Judge risks everything to escape a life of slavery in the household of George and Martha Washington and to make her own way as a free black woman.

The Black History of the White House presents the untold history, racial politics, and shifting significance of the White House as experienced by African Americans, from the generations of enslaved people who helped to build it or were forced to work there to its first black First Family, the Obamas. Clarence Lusane juxtaposes significant events in White House history with the ongoing struggle for democratic, civil, and human rights by black Americans and demonstrates that only during crises have presidents used their authority to advance racial justice. He describes how in 1901 the building was officially named the "White House" amidst a furious backlash against President Roosevelt for inviting Booker T. Washington to dinner, and how that same year that saw the consolidation of white power with the departure of the last black Congressman elected after the Civil War. Lusane explores how, from its construction in 1792 to its becoming the home of the first black president, the White House has been a prism through which to view the progress and struggles of black Americans seeking full citizenship and justice. "Clarence Lusane is one of America's most thoughtful and critical thinkers on issues of race, class and power."--Manning Marable "Barack Obama may be the first black president in the White House, but he's far from the first black person to work in it. In this fascinating history of all the enslaved people, workers and entertainers who spent time in the president's official residence over the years, Clarence Lusane restores the White House to its true colors."--Barbara Ehrenreich "Reading The Black History of the White House shows us how much we DON'T know about our history, politics, and culture. In a very accessible and polished style, Clarence Lusane takes us inside the key national events of the American past and present. He reveals new dimensions of the black presence in the US from revolutionary days to the Obama campaign. Yes, 'black hands built the White House'-enslaved black hands-but they also built this country's economy, political system, and culture, in ways Lusane shows us in great detail. A particularly important feature of this book its personal storytelling: we see black political history through the experiences and insights of little-known participants in great American events. The detailed lives of Washington's slaves seeking freedom, or the

complexities of Duke Ellington's relationships with the Truman and Eisenhower White House, show us American racism, and also black America's fierce hunger for freedom, in brand new and very exciting ways. This book would be a great addition to many courses in history, sociology, or ethnic studies courses. Highly recommended!"—Howard Winant "The White House was built with slave labor and at least six US presidents owned slaves during their time in office. With these facts, Clarence Lusane, a political science professor at American University, opens *The Black History of the White House* (City Lights), a fascinating story of race relations that plays out both on the domestic front and the international stage. As Lusane writes, 'The Lincoln White House resolved the issue of slavery, but not that of racism.' Along with the political calculations surrounding who gets invited to the White House are matters of musical tastes and opinionated first ladies, ingredients that make for good storytelling."—Boston Globe Dr. Clarence Lusane has published in *The Washington Post*, *The Miami Herald*, *The Baltimore Sun*, *Oakland Tribune*, *Black Scholar*, and *Race and Class*. He often appears on PBS, BET, C-SPAN, and other national media.
