In *Out of Africa*, author Isak Dinesen takes a wistful and nostalgic look back on her years living in Africa on a Kenyan coffee plantation. Recalling the lives of friends and neighbours—both African and European—Dinesen provides a first-hand perspective of colonial Africa. Through her obvious love of both the landscape and her time in Africa, Dinesen ' s meditative writing style deeply reflects the themes of loss as her plantation fails and she returns to Europe.
