*Pentimento: A Book of Portraits* is a 1973 book by American writer Lillian Hellman. It is best known for the controversy over the authenticity of a section about an anti-Nazi activist called "Julia", which was later made into the film *Julia*. A psychiatrist named Muriel Gardiner later suggested that her life story was fictionalized as Julia.

### Lillian Hellman

A pentimento (plural pentimenti), in painting, is "the presence or emergence of earlier images, forms, or strokes that have been changed and painted over". The word is Italian for 'repentance', from the verb pentirsi, meaning 'to repent'. Significance.

Pentimenti may show that a composition originally had an element, for example, a head or a

Hellman's first memoir, *An Unfinished Woman*. In my opinion, this is a disjointed, stream of thought rambling with no insight to the time and place Hellman was living within, other than one section on her friend Julia who was living in prewar Nazi Germany.

In this widely praised follow-up to her National Book Award-winning first volume of memoirs, *An Unfinished Woman*, the legendary playwright Lillian Hellman looks back at some of the people who, wittingly or unwittingly, exerted profound influence on her development as a woman and a writer. The portraits include

Hellman's recollection of a lifelong friendship that began in childhood, reminiscences that formed the basis of the Academy Award-winning film *Julia*.

This trio of personal memoirs includes *An Unfinished Woman* (1969), *Pentimento* (1973), and *Scoundrel Time* (1976).

Lillian Hellman was a giant of twentieth-century letters and a groundbreaking figure as one of the most successful female playwrights on Broadway. Yet the author of *The Little Foxes* and *Toys in the Attic* is today remembered more as a toxic, bitter survivor and literary fabulist, the woman of whom Mary McCarthy said, "Every word

she writes is a lie, including 'and' and 'the.'" In *A Difficult Woman*, renowned historian Alice Kessler-Harris undertakes a feat few would dare to attempt: a reclamation of a combative, controversial woman who straddled so many political and cultural fault lines of her time. Kessler-Harris renders Hellman's feisty wit and personality in all of its contradictions: as a non-Jewish Jew, a displaced Southerner, a passionate political voice without a party, an artist immersed in commerce, a sexually free woman who scorned much of the women's movement, a loyal friend whose trust was often betrayed, and a writer of memoirs who repeatedly questioned the possibility of achieving truth and

## Read Online *Pentimento* Lillian Hellman

doubted her memory. Hellman was a writer whose plays spoke the language of morality yet whose achievements foundered on accusations of mendacity. Above all else, she was a woman who made her way in a man's world. Kessler-Harris has crafted a nuanced life of Hellman, empathetic yet unsparing, that situates her in the varied contexts in which she moved, from New Orleans to Broadway to the hearing room of HUAC. *A Difficult Woman* is a major work of literary and intellectual history. This will be one of the most reviewed, and most acclaimed, books of 2012.

Caustic, brilliant,  
uncompromising, accomplished,  
Lillian Hellman, one writer noted,

## Read Online *Pentimento* Lillian Hellman

can "take the tops off bottles with her teeth". Her career as a playwright began in 1938 with *The Children's Hour*, the first of seven plays that would bring her international attention and praise. Thirty years later, Hellman unleashed her peerless wit and candor on the subject she knew best: herself. *An Unfinished Woman* is a rich, surprising, emotionally charged portrait of a bygone world -- and of an independent-minded woman coming into her own. Wendy Wasserstein's introduction to this new edition provides a fascinating literary and historical context for reexamining Lillian Hellman's life and achievement.

In this widely praised follow-up to

twentieth century's most intriguing characters. The first biographer to draw from the Hellman-Hammett archives at the University of Texas, and with unprecedented access to their circle of friends, Mellen taps mines of fresh material to produce a groundbreaking look at these extraordinary American nonconformists, separately and together. Cutting against the social and political grain of their day, Hellman and Hammett as proud American radicals were persecuted during McCarthyism. They also turned out some of the most compelling prose of our country: Hammett's classic *Red Harvest*, *The Maltese Falcon*, and *The Thin Man*, and Hellman's plays *The Little Foxes*, *Watch on*

the Rhine, and her memoirs *An Unfinished Woman* and *Pentimento*. Meanwhile, Lillian Hellman and Dashiell Hammett defied every accepted formula of how a man and woman should love each other: intimate as a couple, they lived together infrequently, drank to excess, participated in orgies, and engaged in flagrant infidelities. For the first time, members of Hellman and Hammett's circle, including Peter Feibleman, Norman Mailer, and Rose Styron, have agreed to speak openly about this enigmatic relationship which defined an era.
