There is increasing pressure for all of us to take responsibility for our own financial security and wellbeing, but we often overlook how the benefits that come with

# Download Free Personal Finances Student Activity

**Guide Answers** a job can help us do that. Essential Personal Finance: A Practical Guide for Employees focuses on these valuable work benefits and shows how you can build on this important foundation to achieve financial security and your life goals. This unique book explores how making effective and practical use of these work benefits (such as pension scheme, life cover, sick pay, cheap loans, savings schemes and even financial coaching), means facing up to the behavioural biases we are all plagued with. Given that these can get in the way of even the best intentions, Essential Personal Finance tackles these biases head-on with practical ideas and tips for overcoming or harnessing them for good, and will help you to develop a positive and fruitful relationship with your money. With financial stress being a major cause of absenteeism and sick leave, low morale

# Download Free Personal Finances Student Activity

and lost productivity, the advice in this book also offers employers enormous benefits. By empowering employees through financial education and financial awareness, progressive employers will help them feel more in control of their lives, and experience less stress, resulting in higher morale and productivity.

Offering a distinctive approach which combines academic insight with practical financial wisdom and tools, this is a must-have book for all employees. It will help you make the most of everything your job has to offer so you can worry less about money and live life to the full.

Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy.

**Guide Answers**  
A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves. Connect is the only integrated learning system that empowers students by
