Diversity is vitally important to today's classroom, but many college teachers remain uncertain as to how to handle this sensitive subject. Compiled from the real-life experiences of over a dozen professors and experts, 147 Practical Tips for Teaching Diversity tackles this question head on. Taking you from the classroom to the committee meeting to the the community at large, this book offers hands-on advice for improving diversity discussions all through the semester. Some of what you'll find inside: Safe space: How to create a safe and welcoming learning environment Prejudice: How both you and your students can work together to unlearn stereotypes Challenges: How to address taboo subjects and handle conflicts preemptively

Examines the emergence of "cultural studies" (a generic term used to cover newly emergent fields of study) within the university and implications for a new disciplinary economy.

Presents stories for meditation, memory verses from Scripture, and questions to internalize the messages for each day of the year.

What is the New World Order? Proponents say that it's an anticipated new era of global cooperation between diverse nations and cultures aimed at ushering in a utopia providing all the earth's citizens with everything they need. Detractors claim it's the systematic take-over by secret societies, quasi-government entities and corporations who are covertly organizing a global socialist all-powerful government which aims to regulate every aspect of citizens lives, rendering them a perpetual working-class while the elite leadership lives in luxury. Conspiracy theory expert Mark Dice looks at the evidence, claims, and conspiracy theories as he takes you down the rabbit hole to The New World Order. TOPICS: - Calls for a New World Order by Politicians and Businessmen. - World Governed by the Elite Through Occult Secret Societies - Mainstream Media Controlled by the Elite - High Level Officials and Institutions are Above the Law - Why Immorality and Destructive Behavior is Encouraged - Banking, Money, and Taxes - One World Currency - Population Reduction - One World Religion - A Coming Global Dictator Who Will Claim to be God - Global Police and Military Force - A Nation of Spies and Culture of Fear - Elimination of the Right to Bear Arms - Elimination of National Sovereignty - Monitoring the Population with Big Brother - A Medicated and Sedated Population - Weather Weapons and Chemtrails - Nephilim and Anunnaki - Satanism and Luciferianism - Underground Bases and Tunnels - And More By the author of The Illuminati: Facts & Fiction
