We bought a Primo Manual Water Pump on a camping trip to be able to have our own water (natural spring water) with us to drink. I worked great. Once we were home we found it was perfect to have on our kitchen counter to pump water instead of having to wrangle the 5 gallon bottle to fill containers like we had been doing for years.

The Panaflex Users' Manual, Second Edition, provides detailed instructions and illustrations on how to use Panaflex motion picture camera equipment. Developed in cooperation with Panavision, this easy-to-follow manual provides current information and illustrations for all aspects of the most widely used camera system for major motion pictures. A new Primo-L Lens Data section provides previously unpublished optical information, including entrance pupil position, which is of special interest to those shooting special effects and film for digital postproduction. This

# Access Free Primo Manual

edition also includes new depth-of-field tables for all Panavision Primo-L prime and zoom lenses, as well as subject size/camera distance information for all 35mm film formats. The text is divided into special sections that highlight the relevance of the equipment to all who use it, including film producers, film directors, directors of photography, camera operators, and camera assistants. Additionally, there are special sections for the sound recordist and production manager, as well as an extensive discussion of Panaflex and Panastar camera accessories.

Designed for quick, easy point-of-care reference during hospital rounds and in the outpatient clinic, this pocket book provides clinically relevant information on over 100 gastrointestinal, pancreatic, and hepatic problems and important endoscopy topics. Each topic is presented in easy-to-scan bullet lists and tables on interfacing pages, with headings that include definition, epidemiology, etiology, pathophysiology, clinical manifestations, physical examination, laboratory studies, diagnostic studies, treatments, complications, and prognosis. The latest national treatment guidelines are presented at the top of the page. When appropriate, topics are cross-referenced to each other.
