The Prophet's Dictionary by Paula Price is an essential tool for laymen, prophesiers, pastors, intercessors, and dreamers of dreams. As an all-in-one dictionary and reference book containing over 1,600 relevant definitions of terms and phrases for the prophetic realm of Christian ministry, it will show you how to: Experience the power of the gifts of prophecy Understand their operation in our modern world Correctly interpret and apply God's prophetic words Distinguish between true and false prophets Differentiate between spiritual and natural dreams Understand God-given dreams Develop your spiritual gifts In addition, the author exposes ancient religious seductions and how they have infiltrated movies, television, and books. Prophetic visions and clues to interpreting their symbolism, imagery, and signs are also included. People from all walks of life can benefit as this book aids in the understanding of what may be expected from prophets or the prophetic ministry. Delve deeper and you will find much more. God speaks to us today!

"Defines an exhaustive list of terms typically used in prophetic ministry"--Provided by publisher.

"Defines an exhaustive list of terms typically used in prophetic ministry"--Provided by publisher.

The Dictionary of the Old Testament: Pentateuch' is the first in a four-volume series covering the text of the Old Testament. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament and its background, this encyclopedic work is characterized by close attention to the text of the Old Testament and the ongoing conversation of contemporary scholarship. In exploring the major themes and issues of the Pentateuch, it informs and challenges its readers with authoritative overviews, detailed examinations and new insights from the world of the ancient Near East. The 'Dictionary of the Old Testament: Pentateuch' is designed to be your first stop in the study and research of the Pentateuch, on which the rest of the Bible is built.

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a

lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

Both traditions recognize and draw theological and historical lessons from some of the same narrative sources, but this is the first comparative resource to provide interdisciplinary coverage of the history and textual sources associated with prophets and prophecy. This thorough treatment of a difficult and increasingly controversial subject area will encourage and cultivate knowledge and understanding.

Ever tried on a God helmet? Are there still prophets running around? Will the world end before Christmas next year? Surely you've pondered such issues far into the lonely night? Still, there are moments when we wonder about that stuff. But where is the solid and basic information to push us along? Fear not. Prophecy A-Z is here to help you out. As the subtitle pledges: the book is complete, eschatological, and a dictionary of prophecy. A letter-by-letter dictionary of prophetic terms - from Aaron to Zwingli - Sixty essays covering the most complex end times concepts - Healthy doses of history, philosophy, and apocalyptic shop talk It's handy; it's thorough; it's essential for every interested lay reader, Bible scholars, and clergy professionals.

Discover the role of the prophetic ministry and why it is so necessary today. Through this knowledge, you will: Discover how God awakens, calls, grooms and produces excellent prophets. See how prophets differ from psychics and how prophecy excels divination Get answers to the most common questions people ask about prophecy and prophets Recognize budding prophets in the church Paula Price intelligently and skillfully explains the function and responsibility of local church prophecy and prophets. As an indispensable reference, this comprehensive text is one no Christian should be without. Don't let lack of knowledge keep you from utilizing one of God's extraordinary gifts to the church today.

All you wanted to know about biblical prophecy from A to Z, the Dictionary of Biblical Prophecy is a comprehensive reference tool. It is targeted for those who truly desire to understand prophecy and the end-times. Starting with "Abomination of Desolation" and continuing through hundreds of articles until "Zionism," this book provides helpful and interesting discussions of the entire range of biblical prophecy, all at your fingertips. This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology. The articles are based on solid scholarship, yet are clear and accessible to the lay reader, illuminating even the most complicated issues. The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses, while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures. This is a valuable tool you will refer to time and again.

Donald Gowan offers a unified reading of the prophetic books, showing that each has a distinctive contribution to make to a central theme. These books--Isaiah through Malachi--respond to three key moments in Israel's history: the end of the Northern Kingdom in 722 BCE, the end of the Southern Kingdom in 587 BCE, and the beginning of the restoration from the Babylonian exile in 538 BCE. Gowan traces the theme of death and resurrection throughout these accounts, finding a symbolic message of particular significance to Christian interpreters of the Bible.
