Once upon a time, Amy's future seemed golden. Training to be a world-class ice dancer with her partner Austin, she dreamed of Olympic glory and the day when Austin would see her as something more than just the little girl he skated with. Then, in the blink of an eye, her whole life changed. Four years later, she's just another face in the crowd at her university journalism program and everyone calls her Mia. Only her closest friends and family know anything about her past of the dreams she used to have. And that's what she thought she wanted, until another twist of fate throws her temporarily back into Austin's world. Can she keep the truth about who she is hidden from the one person who used to know her better than anyone?

A story about a wounded girl and the boy who won't give up on her. 7th grader Louise should be the captain of her school's gymnastics team - but she isn't. She's fun and cute and should have lots of friends - but she doesn't. And there's a dreamy boy who has a crush on her - but somehow they never connect. Louise has everything going for her - so what is it that's holding her back? Phoebe Stone tells the winning story of the spring when 7th grader Louise Terrace wakes up, finds the courage to confront the painful family secret she's hiding from - and finally get the boy.

This book offers solutions to anyone who has felt victimized, ostracized or left behind by life. Surprising as it may sound, many people take comfort in their own misery. Feeling too good for too long (or even feeling good at all) can be scary for people, explains Anne Katherine. "Achievement creates anxiety. Intimacy leads to fear. Happiness produces uneasiness. Pleasure causes pain. The solution to this dilemma: what feels good has to be stopped. I call this an addiction to misery." Katherine's fascination and perspective book provides immediate assistance to those people who think they might be making choices that keep them at a "carefully calibrated level of existence--beneath bliss and above despair."

A testimony, 1939-1945.

Paris Dear Alice, Each morning I am awakened by the sound of a tinkling bell. A cheerful sound, it reminds me of the bells that shopkeepers attach to their doors at Christmastime. In this case, the bell marks the opening of the hotel door. From my room, which is just off the winding staircase, I can hear it clearly. It reminds me of the bell that calls to worship the novice embarking on a new life. In a way I too am a novice, leaving, temporarily, one life for another. Love, Alice In the tradition of Anne Morrow Lindbergh's Gift from the Sea and Frances Mayes's Under the Tuscan Sun, in Without Reservations we take time off with Pulitzer Prize winner Alice Steinbach as she explores the world and rediscovers what it means to be a woman on her own. "In many ways, I was an independent woman," writes Alice Steinbach, a single working mother, in this captivating book. "For years I'd made my own choices, paid my own bills, shoveled my own snow, and had relationships that allowed for a lot of freedom on both sides." Slowly, however, she saw that she had become quite dependent in another way: "I had fallen into the habit . . . of defining myself in terms of who I was to other people and what they expected of me." Who am I, she wanted to know, away from the things that define me--my family, children, job, friends?

Steinbach searches for the answer to this provocative question in some of the most exciting places in the world: Paris, where she finds a soul mate in a Japanese man; Oxford, where she takes a course on the English village; Milan, where she befriends a young woman about to be married. Beautifully illustrated with postcards Steinbach wrote home to herself to preserve her spontaneous impressions, this revealing and witty book will transport readers instantly into a fascinating inner and outer journey, an unforgettable voyage of discovery.

This well-design journal with 120 pages is perfect for creative writing, record goals, dreams and thoughts Specifications: Dimensions Perfect size at 6 x 9 in / 15.24 x 22.86 cm Pages: 120 Cover: Soft, matte paperback cover Printed on high quality interior stock Easy writing and smooth paper is perfected for pen and pencil noted. Makes a great Christmas, Birthday, Graduation or Beginning of the school year Gift

Wireless Foresight deals with the development of the wireless communications industry and technology during the coming ten to fifteen years. Telecommunications is a global business of enormous proportions and is one of the largest industries in the world. Written in a highly accessible and simple to read manner, this book is based around four scenarios of the wireless world in 2015. The focus is on the industry (i.e. infrastructure and terminal vendors, operators, and service developers and providers) as well as on new players. Discusses the long-term developments described in the four scenarios and also short term issues, for example the challenges facing industry. Uncovers important areas for technological research and discusses the critical challenges facing industry, for example; the high cost for infrastructure, the slow spectrum release, the stampeding system complexity, radiation, battery capacity, and the threat of a disruptive market change facing the telecommunications industry. Offers a global approach whereby developments from around the world are described. Employs the method of building full-scale scenarios as opposed to just identifying trends and making predictions. Wireless Foresight is an invaluable and provocative read for top and middle management, strategists, business developers, technology managers, and entrepreneurs in the telecom, datacom and infocom industries alike. It is also of great interest to financial analysts and academics.

Bearing six unusual gifts, young Prince Jen embarks on a perilous quest and emerges triumphantly into manhood.
