In this mystery in the New York Times bestselling Cat in the Stacks series, librarian Charlie Harris and his cat Diesel must clear the name of someone near and dear to their hearts—Charlie ' s own daughter. Athena College ' s new writer in residence is a famous native son, playwright Connor Lawton, known for his sharp writing—and sharper tongue. After an unpleasant encounter, librarian Charlie Harris heads home to a nice surprise: his daughter, Laura, is visiting and will be subbing for another professor this fall semester. It ' s great news until he hears who got her the job: her old flame, Connor Lawton... Fearing competition for Connor ' s affections, one of his admirers tries to drive Laura out of town. And then, before Connor finishes the play he is writing, he is murdered—and Laura is the prime suspect. Knowing she ' s innocent, Charlie and his faithful sidekick, Diesel, follow Connor ' s cluttered trail of angry lovers, bitter enemies, and intriguing library research to find the true killer before his daughter is forever cataloged under " M " —for murderer.

Wifeshopping centers on the ultimate human quest: the search for companionship, love, and understanding. These captivating stories feature American men, love-starved and striving, who try and often fail to connect with the women they imagine could be their wives. Some of the women are fianc é es, some are new girlfriends, some are strangers who cross the men ' s paths for only a few hours or moments. In " Beaching It, " an artist traveling on the summer circuit begins an affair with a rich, married local. In " Me and Paul, " a lonely traveler adopts an alter ego to help him impress a single mother. In " Bill, " a trip to a flea market highlights the essential differences between a man and his fianc é e. Throughout this thoroughly entertaining read, Wingate ' s sympathetic characterizations reveal both the hopefulness and the heartache behind our earnest but sometimes misguided attempts at intimacy.

Illustrated with photographs, charts, and diagrams.

This timely and innovative expose by contemporary Jungian psychoanalyst, Ken Kimmel, reveals a culturally and historically embedded narcissism underlying men's endlessly driven romantic projections and erotic fantasies, that has appropriated their understanding of what love is. Men enveloped in narcissism fear their interiority and all relationships with emotional depth that prove too overwhelming and penetrating to bear--so much so that the other must either be colonized or devalued. This wide-ranging work offers them hope for transcendence. Explores: Transcendence of Narcissism in Romance Men-s Capacity to Love Kabbalistic Mysticism Post-modern Philosophy Contemporary Trends in Psychoanalysis

Combining details about specific people with analysis of the trends that have shaped their lives, this book exposes the aging urban underclass. It focuses on the lives of the elderly African Americans and Latinos in pockets of New York City, where wages are low, and crime is often high.

Managing the Fiscal Metropolis: The Financial Policies, Practices, and Health of Suburban Municipalities is an important book. This first comprehensive analysis of the financial condition, management, and policy making of local governments in a metropolitan region offers local governments currently dealing with the Great Recession a better understanding of what affects them financially and how to operate with less revenue. Hendrick ' s groundbreaking study covers 264 Chicago suburban municipalities from the late 1990s to the present. In it she identifies and describes the primary factors and events that affect municipal financial decisions and financial conditions, explores the strategies these governments use to manage financial conditions and solve financial problems, and looks at the impact of contextual factors and stresses on government financial decisions. Managing the Fiscal Metropolis offers new evidence about the role of contextual factors— including other local governments—in the financial condition of municipalities and how municipal financial decisions and practices alter these effects. The wide economic and social diversity of the municipalities studied make its findings relevant on a national scale.
