In "Remembrance of Things Paris," a collection of essays from sixty years of the magazine, editor Ruth Reichl pulls out not only the best of the "food" posts about Paris but also features that visited other spots in the City of Light.

A glorious, edible tour of Paris through six decades of writing from Gourmet magazine, edited and introduced by Ruth Reichl For sixty years the best food writers have been sending dispatches from Paris to Gourmet. Collected here for the first time, their essays create a unique and timeless portrait of the world capital of love and food. When the book begins, just after the war, we are in a hungry city whose chefs struggle to find the eggs and cream they need to re-create the cuisine from before the German occupation. We watch as Paris comes alive again with zinc-topped tables crowded with people drinking café au lait and reveling in crisp baguettes, and the triumphant rebirth of three-star cuisine. In time, nouvelle cuisine is born and sweeps through a newly chic and modern city. It is all here: the old-time bourgeois dinners, the tastemakers of the fashion world, the hero-chefs, and, of course, Paris in all its snobbery and refinement, its inimitable pursuit of the art of fine living. Beautifully written, these dispatches from the past are intimate and immediate, allowing us to watch the month-by-month changes in the world's most wonderful city. Remembrance of Things Paris is a book for anyone who wants to return to a Paris where a buttery madeleine is waiting around every corner. Contributors include

BONUS: This edition contains a Comfort Me with Apples discussion guide and an excerpt from Ruth Reichl's *Delicious!* In this delightful sequel to her bestseller *Tender at the Bone*, Ruth Reichl returns with more tales of love, life, and marvelous meals. *Comfort Me with Apples* picks up Reichl's story in 1978, when she puts down her chef's toque and embarks on a career as a restaurant critic. Her pursuit of good food and good company leads her to New York and China, France and Los Angeles, and her stories of cooking and dining with world-famous chefs range from the madcap to the sublime. Through it all, Reichl makes each and every course a hilarious and instructive occasion for novices and experts alike. She shares some of her favorite recipes while also sharing the intimacies of her personal life in a style so honest and warm that readers will feel they are enjoying a conversation over a meal with a friend.

A New York Times Bestseller "*Sciolino's* sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself." —The New Yorker Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. "I can never be sad on the rue des Martyrs," Sciolino explains, as she celebrates the neighborhood's rich history and vibrant lives. While many cities suffer from the leveling effects of globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel *Nana*, and François Truffaut filmed scenes from *The 400 Blows*. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who's been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. *The Only Street in Paris* will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too quickly disappearing.

magazine. Away from her family, particularly her older sister, Genie, Billie feels like a fish out of water—until she is welcomed by the magazine’s colorful staff. She is also seduced by the vibrant downtown food scene, especially by Fontanari’s, the famous Italian food shop where she works on weekends. Then Delicious! is abruptly shut down, but Billie agrees to stay on in the empty office, maintaining the hotline for reader complaints in order to pay her bills. To Billie’s surprise, the lonely job becomes the portal to a miraculous discovery. In a hidden room in the magazine’s library, Billie finds a cache of letters written during World War II by Lulu Swan, a plucky twelve-year-old, to the legendary chef James Beard. Lulu’s letters provide Billie with a richer understanding of history, and a feeling of deep connection to the young writer whose courage in the face of hardship inspires Billie to come to terms with her fears, her big sister and her ability to open her heart to love. Praise for Delicious! “Compulsively readable . . . a treat for anyone who loves a warm, character-packed tale—a delectable mix of flavor, fantasy, and emotional comfort food.”—O: The Oprah Magazine “[Reichl’s] New York is a fairy-tale town where beautiful food abounds. . . . The novel presents a whole passel of surprises: a puzzle to solve; a secret room; hidden letters; the legacy of James Beard; and a parallel, equally plucky heroine from the past, who also happens to be a culinary prodigy.”—The New York Times Book Review “Fascinating characters . . . There’s romance, intrigue, food history, and the fictional appearance of a very real American culinary icon.”—The Austin Chronicle “Reichl’s vivid descriptions of food will have readers salivating, and an insider’s look at life at a food magazine is fascinating. Her satisfying coming-of-age novel of love and loss vividly demonstrates the power of food to connect people across cultures and generations.”—Library Journal (starred review) “This savory feast of a first novel blends the rich gifts that readers of Reichl’s memoirs and food writing have come to expect. To a tantalizing coming-of-age story about a budding chef and journalist she adds a bittersweet tale of separated sisters.”—More

The Search for Good Wine is a highly entertaining and informative book on all aspects of wine and its consumption by nationally-syndicated wine columnist John Hailman, author of the critically-acclaimed Thomas Jefferson on Wine (2006). Hailman explores the wine-drinking experiences and tastes of famous wine-lovers from jolly Ben Franklin and the surprisingly enthusiastic George Washington to Julius Caesar, Sherlock Holmes, and Ernest Hemingway among numerous other famous figures. Hailman also recounts in fascinating detail the exotic life of the founder of the California wine industry, Hungarian Agoston Haraszthy, who introduced Zinfandel to the U.S. Hailman gives calm and reliable guidance on how to deal with snobby wine waiters and how to choose the best wine books and travel guides. He simplifies the ABCs of wine-grape types from the delicate pinot noirs of Oregon to the robust malbecs of Argentina and from the vibrant new whites of Spain to the great reds (old and new) of Italy. The entire book is dedicated

to finding values in wine. As Hailman says, "Everyone always wants to know one basic thing: How can you get the best possible wine for the lowest possible price?" His new book is highly practical and effective in answering that eternal question and many more about wine. A judge at the top international wine competitions for over thirty years, Hailman examines those experiences and the value of "blind" tastings. He gives insightful tips on how to select a good wine store, how to decipher wine labels and wine lists, and even how to extract unruly champagne corks without crippling yourself or others. Hailman simplifies wine jargon and effectively demystifies the culture of wine fascination, restoring the consumption of wine to the natural pleasure it really should be.

Celebrates the pleasures of a glass of wine, in a collection of essays spanning sixty years of writing on the subject from Gourmet magazine, featuring contributions by such writers as Ray Bradbury, James Beard, and Hugh Johnson.
