Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

Selection of the lyrical poetry of Jalaluddin Rumi.

Describes the geography, people, culture, and politics of the countries of the Middle East, Central Asia, and North Africa.

The first collection of poems translated into English from the forbidden volume of the Divan of Rumi — Presents Rumi's most heretical and free-form poems — Includes introductions and commentary that provide both 13th-century context and modern interpretation After his overwhelming and life-altering encounters with Shams of Tabriz, Rumi, the great thirteenth-century mystic, poet, and originator of the whirling dervishes, let go of many of the precepts of formal religion, insisting that only a complete personal dissolving into the larger energies of God could provide the satisfaction that the heart so desperately seeks. He began to speak spontaneously in the language of poetry, and his followers compiled his 44,000 verses into 23 volumes, collectively called the Divan. When Nevit Ergin decided to translate the Divan of Rumi into English, he enlisted the help of the Turkish government, which was happy to participate. The first 22 volumes were published without difficulty, but the government withdrew its support and refused to participate in the publication of the final volume due to its openly heretical nature. Now, in *The Forbidden Rumi*, Will Johnson and Nevit Ergin present for the first time in English Rumi's poems from this forbidden volume. The collection is grouped into three sections: songs to Shams and God, songs of heresy, and songs of advice and admonition. In them Rumi explains that in order to transform our consciousness, we must let go of ingrained habits and embrace new ones. In short, we must become heretics.

Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

Poems of a Persian poet; with brief biography.

The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.
