Security Clearance Issues, Problems, Denials and Revocations (If you have a security clearance with no issues, then you don't need this book. If, however, you are worried about any aspect of your security clearance, then you absolutely need this book!) Attorney Ronald C. Sykstus first started handling security clearance matters as a prosecutor in the United States Army. Subsequent to that, he defended active-duty soldiers and officers who were having their clearances revoked. He has continued his security clearance defense practice as a civilian lawyer since he left the United States Army with an honorable discharge. Ron is very aware of the importance of having a security clearance for obtaining meaningful and well-compensated employment, both within the government and in the private contracting industry. This book covers all aspects of the security clearance. It is especially geared toward people who not only run into problems with their existing security clearance, but also for those who have concerns
