Fall in Love with Sally Sin One
Unforgettable Heroine 2 X the Adventure

Online Library Second Son Jack Reacher 155 Lee Child

Meet Sally Sin. Wife. Mother. Retired Spy. Or so she thinks. After nine years with the USAWMD (United States Agency for Weapons of Mass Destruction)--where she desperately tried to stay one step ahead of her dashing nemesis, Ian Blackford--Sally has become Lucy Hamilton, stay-at-home mom to Theo and wife to adoring husband, Will, who knows nothing of her covert past. But now, instead of chasing bad guys through perilous jungles, she builds giant Lego towers, reads Green Eggs and Ham, and crafts exceptional forts from couch cushions and blankets. Just when she's starting to settle into retirement, Sally's old Agency boss, Simon Still, shows up to recruit her for one more job, involving the illegal arms dealer, Blackford, who is on the move again. Original Sin features Sally's great chase to thwart Blackford, who, conveniently, no one besides her

seems to be able to stop. But can she make it to preschool pickup, get dinner on the table, and foil Blackford's nefarious plot? And just when you think the thrills are over, you'll be ready To Sin Again. When the Agency Director is taken hostage, Sally is once again called into action. A rescue operation? Easy. That is, until Sally learns of a connection between the kidnapping and her own mysterious childhood, which complicates everything, even Theo's kindergarten applications. Being a mom is hard enough, without having to save the world. Funny, fast-paced, and compulsively readable, *Spy Mom* offers two action-packed adventures for mothers and spies, and anyone who has ever dreamed about being either.

Real Book Spy Best Thriller of 2018 From Daniel Silva, the #1 New York

Times–bestselling author, comes a modern masterpiece of espionage, love, and

betrayal She was his best-kept secret ... In an isolated village in the mountains of

Andalusia, a mysterious Frenchwoman

begins work on a dangerous memoir. It is

the story of a man she once loved in the

Beirut of old, and a child taken from her in

treason's name. The woman is the keeper

of the Kremlin's most closely guarded

secret. Long ago, the KGB inserted a mole

into the heart of the West—a mole who

stands on the doorstep of ultimate power.

Only one man can unravel the conspiracy:

Gabriel Allon, the legendary art restorer

and assassin who serves as the chief of

Israel's vaunted secret intelligence

service. Gabriel has battled the dark forces

of the new Russia before, at great personal

cost. Now he and the Russians will engage

in a final epic showdown, with the fate of the postwar global order hanging in the balance. Gabriel is lured into the hunt for the traitor after his most important asset inside Russian intelligence is brutally assassinated while trying to defect in Vienna. His quest for the truth will lead him backward in time, to the twentieth century's greatest act of treason, and, finally, to a spellbinding climax along the banks of the Potomac River outside Washington that will leave readers breathless. Fast as a bullet, hauntingly beautiful, and filled with stunning double-crosses and twists of plot, *The Other Woman* is a tour de force that proves once again that "of all those writing spy novels today, Daniel Silva is quite simply the best" (Kansas City Star).

Project X. But to the half dozen agents and personnel working for it, it's known as Firestorm, a black ops group so dark that the U.S. President doesn't even know about them yet. And no agent is as skilled as Brady Hawk. Amid the smoldering ashes of another terrorist attack on U.S. interests in Iraq, Hawk searches for Nasim Ghazi, the chief bomb maker for the terrorist group Al Hasib. However, Hawk's mission is almost cut short when he's nearly killed by an assassin. Haunted by his harrowing escape, Hawk must quietly navigate through Iraq and Afghanistan to hunt down Ghazi before he strikes again. As he and his Washington-based handler Alex Duncan try to solve the mystery of his assassin, Hawk struggles with the revelation that his father, the world's most renowned weapons manufacturer, may not be who he thinks he is. In a world where nothing is as it seems, Hawk must stay

A shadowy Detroit real estate billionaire. A ruthless fixer. A successful Mexicantown family business in their crosshairs. Gentrification has never been bloodier. Authentico Foods Inc. has been a part of Detroit's Mexicantown for over thirty years, grown from a home kitchen business to a city-blocklong facility that supplies Mexican tortillas to restaurants throughout the Midwest. Detroit ex-cop and Mexicantown native August Snow has been invited for a business meeting at Authentico Foods. Its owner, Ronaldo Ochoa, is dying, and is being blackmailed into selling the company to an anonymous entity. Worried about his employees, Ochoa wants August to buy it. August has no interest in running a tortilla empire, but

Jack Reacher comes to the aid of an elderly couple . . . and confronts his most dangerous opponents yet. “Jack Reacher is today’s James Bond, a thriller hero we can’t get enough of.”—Ken Follett “This is a random universe,” Reacher says. “Once in a blue moon things turn out just right.” This isn’t one of those times. Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old

man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she's letting on, and sets out to take down the powerful and make the greedy pay. It's a long shot. The odds are against him. But Reacher believes in a certain kind of justice . . . the kind that comes along once in a blue moon. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD

What begins as an ordinary day in the life of Marc Bowman, an in-demand computer consultant for AmeriTel, turns out to be anything but ordinary. To start things off, the huge technical corporation where he and his wife Carolyn work unceremoniously fires him without cause or notice. Since Carolyn is a high-powered AmeriTel executive, Marc turns to her for an explanation-- and is stunned when she sides with her employer. Suddenly, things are happening in Marc's life that he can't explain; strange men are following him, items are disappearing from his home, and the FBI is turning up at his door to question him about his past projects. And then, if things weren't bad enough, Carolyn suddenly vanishes...

town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Winter 1963: two children have disappeared off the streets of Manchester; the murderous careers of Myra Hindley and Ian Brady have begun. On a freezing day in December, another child goes missing: thirteen-year-old Alison Carter vanishes from her town, an insular community that distrusts the outside world. For the young George Bennett, a newly promoted inspector, it is the beginning of his most difficult and harrowing case: a murder with no body, an investigation with more dead ends and closed faces than he'd have found in the anonymity of the inner city, and an outcome which reverberates through the years. Decades later he finally tells his story to journalist Catherine Heathcote, but just when the book is poised for

publication, Bennett unaccountably tries to pull the plug. He has new information which he refuses to divulge, new information that threatens the very foundations of his existence. Catherine is forced to re-investigate the past, with results that turn the world upside down. A Greek tragedy in modern England, Val McDermid's *A Place of Execution* is a taut psychological thriller that explores, exposes and explodes the border between reality and illusion in a multi-layered narrative that turns expectations on their head and reminds us that what we know is what we do not know. *A Place of Execution* is winner of the 2000 Los Angeles Times Book Prize and a 2001 Edgar Award Nominee for Best Novel.
