mastered. 2) Playing Deep Stacked ¶This deals with situations where (most) players have stacks of 50 big blinds or more. All situations are dealt with including pre-flop and all three post-flop streets. There is further information on general topics at this stack depth. 3) Playing Mid Stacked ¶This deals with situations where the basic stack depth is between 27 and 50 big blinds. These situations are tricky because with the shorter stack, players are often going all-in. This means that very clear adjustments are required compared to the deeper stack strategies. 4) Playing Short Stacked ¶This section focuses on play below 27 big blinds. Now play is almost exclusively focused on the possibility of players going all-in. Knowing the correct ranges and plays here is vital to maximise your chances for tournament survival. 5) The Late Stages ¶As the prospect of serious prize money looms, huge adjustments need to be made. How to play on the bubble and concepts such as risk premium and the Independent Chip Model are fundamental to maximising your chance of landing a major prize and they are all thoroughly explained. 6) Hand Examples ¶This will test your understanding of everything you have learnt so far. 7) Other Considerations ¶You can improve your tournament results by also working on your general attitude and approach. This section encompasses all the non-technical aspects of playing, including learning, the mental approach, tells and practical tips. Jonathan Little has dedicated himself to educating players who are keen to improve their poker strategy, and in 2020, he was awarded the prestigious title of Global Poker Index "Poker Personality of the Year" ¶ voted for by the poker-playing public. As well as being an immensely successful professional player with over \$7,000,000 in live tournament cashes, Jonathan runs the highly respected coaching site pokercoaching.com. By interacting regularly with his students, he has developed a clear understanding of how to explain important concepts in a language that can be easily understood by players of all skill levels. The result is Secrets of Professional Tournament Poker ¶ the definitive guide to modern tournament play.

One of the most highly regarded poker books to come out in the last decade is now even better than before. The expanded and revised second edition of Kill Everyone, by Aussie Millions champ Lee Nelson (with Steve Heston and Tyson Streb), now includes hand illustrations throughout the book¶and even more enticing for poker players¶commentary throughout the book by internet-poker and European playing sensation Bertrand "Elky" Grospellier, World Poker Tour¶s 2009 Poker Player of the Year. Kill Everyone begins where Kill Phil left off. Its perfect blend of real-time experience, poker math, and computational horsepower combine to create new concepts and advanced strategies never before seen in print for multi-table tournaments, Sit-n-Gos, and satellites. It also explains how to choose the right strategy for the right game, provides the proper tactics, and introduces new weapons into a tournament-poker-player's arsenal. This book is for anyone serious about playing tournament poker, both live and online. And for cash-game players, a bonus chapter, penned by online cash-game ace and 2007 WSOP bracelet winner Mark Vos, helps you develop your short-handed no-limit hold ¶em cash game.

Why are the best poker players actually the best? Every serious poker player wants to be successful and many of them have the right technical skills. However, the truth is that there are key mental factors that separate the big winners from everyone else. Patricia Cardner is a psychology professor, licensed professional counselor and dedicated poker player. She interviewed a select group of professional poker players who share two key characteristics: ALL of them have been successful over many years and ALL of them have lifetime winnings of more than \$1,000,000. Patricia analyzed the results to determine exactly what psychological skills, techniques, and strategies they use. This book is the result of her studies. Positive Poker outlines the mental skills that you need to develop if you want raise your game. Positive Poker will help you to: Optimize your brain for efficient learning Increase motivation and stay positive Use psychological skills to increase your win rate Increase self-control and reduce tilt Patricia is aided in her investigations by the highly successful poker pro Jonathan Little, author of the critically acclaimed series, Secrets of Professional Tournament Poker.
