Video component of course consists of 22 videos; 30 minutes each. Please contact your local Prentice Hall sales representative for more information about the video program. The Faculty guide is published by INTELECOM, the telecourse developer, and includes a test bank for the video and text components, general information on the course, as well as tips for teaching at a distance. The Faculty Guide is issued by INTELECOM, once a course license is in place between the institution and INTELECOM. Closely correlated to Macionis, Society (brief) and Macionis, Sociology (comprehensive) textbooks.

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

A consistent best-seller, the wide-ranging and authoritative Dictionary of Sociology was first published in 1994 and contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. For this fourth edition, Professor John Scott has conducted a thorough review of all entries to ensure that they are concise, focused, and up to date. Revisions reflect current intellectual debates and social conditions, particularly in relation to global and multi-cultural issues. New entries cover relevant contemporary concepts, such as climate change, social media, terrorism, and intersectionality, as well as key living sociologists. This Dictionary is both an invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.

"A glossary of key concepts was just the sort of thing I needed when I was a sociology student. Peter Braham has written a lively, comprehensive guide to the most important concepts in our discipline. It will become an essential student resource." - David Silverman, Goldsmith's and King's College, University of London "A triumphant tour de force... will be a useful, even essential tool for students and faculty. It is actually fascinating reading even for non-sociologists since these ideas impact all of us all the time." - Anthony Synnott, Concordia University in Montreal "A crisp and comprehensive guide to the discipline. The thirty-eight entries, covering history, substance and evaluation, thereby describe both conventional and new topics that define the syllabus of modern sociology. A valuable guide to both teachers and students." - Bryan S. Turner, Presidential Professor of Sociology, CUNY USA Sociology consists of a myriad of frequently confusing concepts. Key Concepts in Sociology provides a comprehensive, lively and clearly-written guide to the most important concepts in the subject. It includes both what might be regarded as 'classic' sociological concepts, such as 'class', 'bureaucracy' and 'community', as well as subjects that have become increasingly prominent in recent times, such as 'celebrity', 'risk' and 'the body'. Each of the thirty-eight substantive entries: defines the concept provides a clear and compelling narrative clarifies the main debates, perspectives and disagreements gives advice on further reading Key Concepts in Sociology should be the first choice for sociology students at all levels of learning.

Helps students study and review chapter material. Includes chapter overviews, summaries of key topics and concepts, applications exercises, and end-of chapter tests with answers.

A sociology program written exclusively for high school students Sociology and You is written by successful authors with extensive experience in the field of sociology. Meet American Sociological Association standards for the teaching of sociology in high school with this comprehensive program.
