When a mysterious stranger invades Amethyst, IL, stealing souls to feed a demon and generally ruining Halloween for the local kids, three witches join forces to take him on. This short novelette reunites Mara, Gus, Aunt Tillie and Grundleshanks the Toad (from the Toadwitch paranormal series) with Stacy Justice, the Geraghty Girls and Thor, the Great Dane, (from the Stacy Justice paranormal mystery series). As Gus, Mara and Stacy band together, they're bossed around by the cantankerous ghost of Mara's Aunt Tillie, tripped up by the spirit of Lord Grundleshanks the Poisonous Toad, backed up by Stacy's grandmother's coven, and given assistance by a local hoodoo master -- in-between episodes of Antiques Road Show, that is -- but they're still in for the Samhain of their lives. If they don't stop the stranger's nefarious plan, the only thing they can count on is that all three of their souls will be at risk! This is a quirky, paranormal adventure that combines thrills and chills with all-out spooky fun. It's a fun, fast-paced read, meant to tide readers over until Miller's and Annino's next full-length novels are released. However, it also works as a stand-alone to introduce new readers to the quirky paranormal world of the main characters. It includes short excerpts from the paranormal novels "Somebody Tell Aunt Tillie She's Dead" and "Opal Fire."

Mama Lua has to go to New Orleans for a family emergency, but her store is under attack and she can't leave it unattended. She asks Mara and Gus if they can fill in for her while she's gone, deal with the assorted, eccentric customers, and figure out who's trying to shut her down. When Mara and Gus arrive in Los Angeles, they have their hands full and Mama Lua is nowhere to be found. Aunt Tillie, who insisted on accompanying them, has her own reasons for wanting to be in Los Angeles, and isn't being very forthcoming. Mara and Gus soon find themselves knee-deep in paranormal weirdness. Not only does Mara catch a wannabe vampire feeding on the customers, there's a flesh-eating demon on the loose, working its way up the food chain, and now someone's called up a homunculus. It's up to Mara and Gus to sort everything out and can that demon before it claims any more victims on its homicidal snacking binge. But they need to get things under control fast, before Mara goes into labor and her unusual baby makes its long-awaited appearance in their world.

He wants proof that he's actually the father. And her best friend, Gus, is so obsessed with his new boyfriend and his plans for the late, great, Lord Grundleshanks the Poisonous Toad, he has no time for anyone else. After Gus flips the seasons and manages to bring summer into winter, everything starts going weirdly wrong. Summer refuses to leave. Household electronics start going haywire. When J.J., a local boy, vanishes from Mara's car, Mara begins to suspect he's been turned into a rat. But it's such a crazy idea, who could she possibly talk to about it? Then, her dead Aunt Tillie shows up to warn her that Gus is in trouble—big trouble—and it's up to Mara to save him. Before Mara can stop him, Gus opens up a portal to Hell and the Devil comes calling. Now, she's got her hands full, trying to find out what happened to J.J., assure Paul she's not going to give birth to a mythological creature, and broker a truce between Gus and the Devil before Gus becomes Hell's newest resident.

family of obstacles ... and one ticked-off FBI agent. When cousins Bay, Clove and Thistle vow to stop their great-aunt's wine endeavor in its tracks, Aunt Tillie is forced to come up with a unique solution. In order to keep her great-nieces out of her hair, she curses them into a book of fairy tales. Of course, because it's Aunt Tillie, these aren't normal fairy tales. They're the fairy tales she created - with a little inspiration from the classics. Now Bay, Clove and Thistle have to work their way through a labyrinth of stories they haven't heard since they were kids - and they have to take Landon, Marcus and Sam along for the ride. Will Bay get eaten by bears? Will Thistle kiss a frog? Will Sam climb Clove's hair to rescue her from a tower? And, better yet, will Landon turn himself into a prince and slip a glass slipper on Bay's foot? Each task becomes harder as the story progresses, and as the tales darken, things start to become dangerous. Can the Winchester witches survive Aunt Tillie's twisted mind? Or will they be lost in a book forever?
