This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.

This engaging strategy text presents the accumulated knowledge of strategic management scholarship in a way that is very accessible to students. Highly respected authors Hill, Schilling, and Jones integrate cutting-edge research on topics including competitive advantage, corporate governance, diversification, strategic leadership, technology and innovation, and corporate social responsibility through both theory and case studies. Based on real-world practices and current thinking in the field, the 12th edition of STRATEGIC MANAGEMENT features an increased emphasis on the changing global economy and its role in strategic management, as well as thought-provoking opening and closing cases that highlight the concepts discussed in each chapter. The appendix walks students through the case analysis process, and explains key ratios that managers use to compare the performance of firms. This text is the key reference that should be on every strategic leader's bookshelf. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This fully revised and updated second edition of Information Systems Strategic Management continues to provide an accessible yet critical analysis of the strategic aspects of information systems. The second edition again covers the relevant practical and theoretical material of information systems, supported by extensive case studies, student activities, and problem scenarios. The ISS issues will be fully integrated into current thinking about corporate strategy, addressing the fact that a range of emerging strategic issues are often ill addressed in IS strategy books, which also fail to differentiate between IT, the application of technology, and IS, the participative, human-centred approaches to information and knowledge management. Specific changes include Expansion and internationalisation of case studies Broader focus beyond social and critical theory New chapters on strategy and e-business, strategic management as a technical or social process, strategic implications of information security, applications portfolio, and technology management. The focus on strategic issues and the integration of IT and IS issues ensures this text is ideal for MBA students studying MIS, as well as being suitable for MSC students in IS/IT.

The result is a printed casebook tailored to meet specific course goals.

Thorough yet concise, ESSENTIALS OF STRATEGIC MANAGEMENT, Third Edition, is a brief version of the authors' market-leading text STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH. Following the same framework as the larger book, ESSENTIALS helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
