This repair manual covers Suzuki SV650 and SV650S 1999 to 2005.

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

GSX-R600 (1997-2000)

Controversial, a global icon, a diva among divas---Barbra Streisand, the last genuinely unique show business personality of the twentieth century is the most honored entertainer in the world today. But along with the Tony, two Oscars, six Emmys, eight Grammys, ten Golden Globes, fifty gold albums, and wild acclaim have come wildly diverse reactions to a personality as outsized as her talent. In the words of Streisand herself, "I'm a liberal, opinionated Jewish feminist---I push a lot of buttons." In Tom Santopietro's witty yet analytical look at this one-of-a-kind career, the myths and personal foibles are stripped away, and the focus lands squarely on the work. From the early recordings to the groundbreaking television specials, from the Hollywood blockbusters to the history-making comeback concerts, Streisand's career is placed within an oftentimes uniquely American social context but always allowed to speak for itself. In a brisk, funny, and always compelling style, *The Importance of Being Barbra* reveals all the milestones in a new and sometimes startling light, ranging from the brilliance of *Funny Girl* and *The Broadway Album* to the misbegotten yet curiously popular *A Star Is Born*. Treating Barbra Streisand like the serious artist she is---and has always claimed to be---*The Importance of Being Barbra* delves into the key reasons for her all-encompassing success: the overwhelming ambition, the notorious perfectionism, the fervent gay following, the dramatic pull of a voice and style that mysteriously connect with the lovelorn all around the world. A full-scale examination of the acting, singing, and directing that have ranged from the dazzling to the occasionally inexplicable---it's all here for anyone who has ever wondered at the phenomenon that is Barbra Streisand.

The first GSX-R was created in 1985 as a groundbreaking departure from the ponderous sportbikes of the day. That revolutionary motorcycle took a time-honored racing credo to heart: light is right. (And another one: It can never be too fast.) Never before had the performance and design of a race bike been so faithfully carried over to the street. In the seven generations since, Suzuki has remained true to the concept of the original GSX-R: to build

the most serious, track-worthy sportbike. What's more, the company's engineers have been relentless in their pursuit to refine and improve the bike.

Few activities offer more fun and excitement than motorcycling, but to get the most out of it, there's a lot you need to know. From buying and maintaining a bike, to riding safely, to finding great places to ride, Motorcycling For Dummies puts you on the road with savvy and style, whether you're male or female, new to riding or an experienced vet. This fun, practical, and informative guide gets you geared up and ready to ride! You'll get plenty of help in selecting the right bike and step-by-step instructions on performing routine maintenance tasks. You'll also find out how to develop safe riding habits and, maybe most important of all, fit in with the biker crowd. Plus, this indispensable resource shows you advanced riding techniques, offers travel tips for long-distance rides, and even helps you get your kids started in motorcycling. Discover how to: Buy a new or used bike Select safe, tough riding gear, from helmet and jacket to boots and pants Get proper training and learn essential riding skills Insure your bike Pass even the toughest licensing test Try your hand at cruising, touring, sports biking, and more Get involved in motorcycle clubs and events Deal with dangers on the road Customize your bike to improve both style and performance Complete with lists of great biking events, organizations, people, and even movies, Motorcycling For Dummies gives a whole new meaning to the term "easy rider."
