Street urchins Black and White have skyscraper-sized chips on their shoulders, but are fiercely loyal to each other. Black is especially quick to avenge any slight against his dim-witted pal. The result? The citizens of Treasure Town are afraid of them, the police are afraid of them--even the local yakuza gangsters are afraid of them! But when the crime boss known as the "Rat" returns to Treasure Town, it looks like there's gonna be a rumble...

The story takes place in the fictional city of Takaramachi (Treasure Town) and centers on a pair of orphaned street kids - the tough, canny Kuro (Black) and the childish, innocent Shiro (White), together known as the Cats - as they deal with yakuza attempting to take over Treasure Town.

[Tekkonkinkreet - Wikipedia](#)

In reality, The Cats are a pair of orphan boys called Black and White, who aren't afraid of anything or anyone. But their rule of the streets is challenged when the Yakuza come to town and start making changes. The wild Black and the carefree White have no one to rely on but themselves to get their Treasure Town back to the way it was.

Tekkon Kinkreet is a richly engaging graphic narrative, its visual language referencing French comics but with the horizontal, angled paneling of more traditional Japanese Manga. Though it's about two scrappy kids, this is most definitely NOT a comic book for children: it's full of violence and references to the seedy underworld of the city ...

From the author of the masterful TekkonKinkreet, Taiyo Matsumoto's Blue Spring is a short story collection focusing on the lives of a small group of disenchanting high school students. Although spring usually connotes the blossoming of new life and a time of nurturing and anticipation, the spring for these characters is "blue." They can't wait for school to end and the summer to come. Their lives are balanced on the edge of a knife as they flirt with crime and their own deaths in the form of a deadly rooftop game. Each character has a different story to tell and the rebellion, questioning and frustration of these youths are palpable.

Makoto "Smile" Tsukimoto and his friend Yutaka "Peco" Hoshino have been playing table tennis since they were kids, but as they enter high school, they find that the game has changed. Seeing potential in them that they themselves don't fully realize, the coach recruits them for the school team. Bringing out their best will mean challenging the top players from rival schools in the summer tournament, including an ace Chinese exchange student who almost made the Olympic team. With the pressure on, can Smile and Peco take the heat and make it into the finals? -- VIZ Media

Third grader Yuki Tachibana lives in two worlds. In one world, he is a loner ridiculed by his classmates and reprimanded by

his teachers for telling stories of supernatural beings that only he can see. In the other world, the supernatural beings vie for power with malevolent spirits who bring chaos into the school, the students' lives, and nature itself. -- VIZ Media

When Sei's parents drop him off at a children's home, he does what he can to fit in with the other troubled children and, like them, finds escape in a broken-down old car and his imagination.

Norman Rockwell's best-loved works, collected in a handsome clothbound volume Norman Rockwell gave us a picture of America that was familiar—astonishingly so—and at the same time unique, because only he could bring it to life with such authority. Rockwell best expressed this vision of America in his justly famous cover illustrations for the Saturday Evening Post, painted between 1916 and 1963. All of his Post covers are reproduced in splendid full color in this oversized volume, with commentaries by Christopher Finch, the noted writer on art and popular culture.
