This empowering guide is an inspirational roadmap for the millions of men and women navigating a rocky relationship with a former spouse-while trying to maintain a healthy atmosphere for their child. Topics include: * The 7 strategies for peace when an ex refuses to change * Skills for taming former in-laws * Ways to help children cope with a difficult parent * Strategies and alternatives for focusing anger * How to avoid hot-button issues * How to nudge an ex to change for the better * Ways to deal with children's questions and confusion * The new partner's role in the old partner's shadow This is the book for every frustrated parent coming out of a divorce who needs support in setting things right-the healthy, sensible, and sane way.

Internationally renowned therapist, family expert and mediator Isolina Ricci, Ph.D. presents this definitive and newly updated guide to divorce and making shared custody work for parents and children. The ground-breaking classic, Mom's House, Dad's House, has become the standard for two generations of divorcing parents, and includes examples, self-tests, checklists, tools, and guidelines to help separated moms and dads with the legal, emotional, and financial issues they will encounter as they work to create happy and stable homes. This comprehensive guide looks anew at the needs of all family members with creative options and common-sense advice, including: * The map to a "decent divorce" and two happy homes * Helping children of divorce with age-specific advice * Negotiating Parental Agreements and custody arrangements * Breaking away from "negative intimacy" with a difficult ex-husband or ex-wife * Sidestepping destructive myths about divorce (and marriage) * Handling long-distance parenting and parenting alone With Mom's House, Dad's House, parents will learn how to help their children heal and find a sense of continuity, security, and stability throughout the divorce process and in any custody situation.

The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas is a comprehensive practice tool that covers the entire process of filing, perfecting, and foreclosing liens in a clear step-by-step manner. The Guide is ideal for solo practitioners, small firms, and non-attorneys who work in construction, including contractors, subcontractors, suppliers, developers, and owners. Inside you'll find: [] Concise, detailed analysis of lien laws governing both private and public construction projects [] In-depth discussion of notice, limitations, and attorney's fees [] Full text of a wide range of relevant statutes [] More than 30 forms [] Complete set of timetables for filing liens and sending required notices. Don't find yourself without The Complete Guide to Mechanic's and Materialman's Lien Laws of Texas next time you have to file a lien.

FAMILY LAW, sixth edition, provides a comprehensive introduction to modern family law for the paralegal, covering substantive and procedural law with a strong practical emphasis. In addition to fundamental principles of family law and nationwide legal practices, the book includes state-specific assignments to help you identify relevant laws and regulations in your area. Legal analysis exercises help you apply substantive law principles discussed in each chapter, while sample checklists, forms, documents, cases, and exhibits provide exposure to real-world tools and processes used by working professionals. New content for the sixth edition includes updated coverage of evolving legal issues such as same-sex marriage, adoption, fertility, stem cell research, material on legal ethics, and the role of technology in law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A practice manual and guide for legal aid and private attorneys, advocates and individuals, to support the successful reintegration of those touched by the criminal justice system. Those in reentry face many hurdles and collateral consequences that, if addressed, greatly reduce recidivism and increase family stability. From driver's license restoration and sealing criminal records to navigating child support modification, this guide provides a thorough and user friendly resource for anyone in reentry. Included in the guide are resources, sample pleadings and instructions to support advocates and individuals pro se. This material was originally published by Texas Rio Grande Legal Aid in 2012. Beacon Law, a program of The Beacon of Downtown Houston, undertook continuing updates and publication of the materials in 2015 releasing the 2nd edition and the 3rd Edition in 2017. This is public domain material and if freely available for download on www.texaslawhelp.org. This publication is intended to make the Guide available in hard copy for those who cannot access it online. All proceeds support the continuing updates by Beacon Law of the materials based on legislative changes on a biennial basis.

While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.
