The 'Gita' is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. These truths are for our hearts, not just for our heads.

The Bhagavad Gita: A Walkthrough for Westerners (Audio...

Even though I've read different versions of The Bhagavad Gita dozens of times over the last fifty years, it still feels good and necessary to reflect again on the teachings. At first, when I read this as a college student, I agreed with Arjuna at the beginning of the story (when he was shaking and confused!) that war is wrong; of course we shouldn't attack and kill anybody, much less old ...

Paraphrases the great Hindu scripture concerning divine knowledge and devotion into modern expository prose.

Paraphrases the great Hindu scripture concerning divine knowledge and devotion into modern expository prose.

The Bhagavad Gita has been called India's greatest contribution to the world. For more than five thousand years, this great scripture has shown millions in the East how to fill their lives with serenity and love. In these pages, Jack Hawley brings these ancient secrets to Western seekers in a beautiful prose version that makes the story of the Gita clear and exciting, and makes its truths understandable and easy to apply to our busy lives. The Gita is a universal love song sung by God to His friend man. It can't be confined by any creed. It is a statement of the truths at the core of what we all already believe, only it makes those truths clearer, so they become immediately useful in our daily lives. These truths are for our hearts, not just our heads. The Gita is more than just a book, more than mere words or concepts. There is an accumulated potency in it. To read the Gita is to be inspired in the true sense of the term: to be "inspired," to inhale the ancient and ever-new breath of spiritual energy.

Paraphrases the great Hindu scripture concerning divine knowledge and devotion into modern expository prose.

The Bhagavad Gita, the classic spiritual text more than five thousand years old, has often been called India's greatest contribution to the world. In these pages, Jack Hawley presents the essence of the Gita's teachings in a format accessible to modern readers. The book is organized into chapters that address five important questions spiritual seekers have been grappling with for millennia: Who am I? Why am I here? Who, or what, is the Divinity many call "God"? What is my relationship to that Divinity? Is it even possible to live a spiritual life, and if so, how? Each chapter begins with an introduction by Jack Hawley. The teachings from the Gita follow, arranged under headings relevant to today's seekers, such as "Being the Real You," "Seeing Divinity in Ordinary Humans," and "Finding Happiness." The ancient wisdom of the Bhagavad Gita lives on, helping us today as it has helped countless millions of people through the ages.

Spirituality/Personal Growth/Religion \$9.00 USRoadmaps to Self-Realization: Based on the Bhagavad Gita: A Walkthrough for Westerners is a clear, comprehensive review of the world's highest mystical and spiritual principles set forth thousands of years ago in the universally acclaimed Bhagavad Gita.Now, for the first time, these ancient yet modern teachings are presented as a self-inquiry manual, a guidebook to help chart your course to self-realization, the most prized goal in spirituality.This is a veritable treasure map that will show you how to be a happier, more peaceful, loving, kind and accepting human being now, today, in your daily life.As you go through this book you will find yourself no longer merely reading, but drawn into it, having to think, act and evaluate. You become deeply and personally involved in your own spiritual development.This might be the most important reading you ever do. The destination is your divinity deep inside. In the end it's all you have.ISBN 1-886112-20-7

The Bhagavad Gita, or 'Song of the Spirit,' is the best known book of India's national epic The Mahabharata. Based on a dialogue between Bhagavan Krishna and Prince Arjuna on the eve of a great battle, it is held to be the essence of Hindu spirituality, sacred literature and yoga, as well as exploring the great universal themes of courage, honour, death, love, virtue and fulfilment. Of interest to the large number of contemporary spiritual seekers - of any faith and none - who want to read the world's most important sacred texts, and to learn from their wisdom. Also useful for scholars of Vedic literature and students.

For professionals navigating negative corporate karmas, Leadership Lessons from the Bhagavad Gita offers a way forward for overcoming self-defeating habits and managing the mind 's negative chatter that is often the main obstacle to effective leadership. By promoting a leadership approach of caring for followers, stakeholders and future generations, the book offers hope for harmonious workplace relations and a protected environment. Based on leadership by inspiration as opposed to leadership by control, Leadership Lessons from the Bhagavad Gita provides an alternative to conventional leadership. Particularly, in the times we live, where there is a crisis of faith in leadership, the insights from this book presents a vision of linked-leadership—leaders who are linked through loving-connection or bhakti-yoga with themselves (through self-knowledge), with other beings, with nature and with the supreme source. As exemplified by Krishna taking over the reins of Arjuna 's chariot, the crux of this book is leadership, not as a title or position, but as a commitment to service, excellence and virtuous character that motivates and inspires others to pursue the same. The unique insights from this book will help you make sense of different personality types to motivate others according to their natures and inclinations, which will support you in forming effective teams and creating a harmonious and prosperous organizational culture. In short, this book challenges and equips leaders to step up and cultivate unity and diversity, and achieve sustainable wellbeing and happiness in their organizations.

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism 's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In Paths to God, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita 's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, Paths to God is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.
