"The Billy Boy" documents the life and times of Billy Wright, a Protestant, loyalist paramilitary leader. Wright was initially a dedicated member of the Ulster Volunteer Force (UVF), until breaking away from the more 'moderate' UVF to form his own group, the Loyalist Volunteer Force (LVF).

**John Williams**, a California kid who never knew his father, searches for himself and the parent he never met.

A cult figure among loyalists, despised and feared by nationalists, Billy 'King Rat' Wright is reputed to have been involved in a number of sectarian murders before he himself was shot dead by republican gunmen inside the Maze Prison in 1997. Wright became involved with loyalist paramilitaries at the age of 16, and in the early 1990s he emerged as the UVF commander in the Mid-Ulster area. The Billy Boy documents Wright's role in the Drumcree dispute of 1995-96 and his split from the UVF, recounting how he ignored both a death threat and an order to leave Northern Ireland, only to remain in Portadown and form the Loyalist Volunteer Force. It covers Wright's trial and subsequent imprisonment for a crime it has been claimed was set up by the State; recounts the circumstances of his killing inside a top-security prison; and investigates the allegations of State collusion in Wright's death. Terrifically gripping and often disturbing, The Billy Boy is an exhaustive account of a notorious figure of the Troubles, whose life and death were surrounded by controversy and political debate.

Charts Barbie's evolution, from 1950s prom queen to the fitness-conscious businesswoman of the 1980s, and features photographs of Barbie and friends modeling couture originals

John William, a California kid who never knew his father, searches for himself and the parent he never met.

Not since Larry McMurtry's The Last Picture Show has a novelist captured the poignant contradictions of young manhood in the American West the way Bud Shrake does in Billy Boy. And no novel has ever combined history, spirituality and golf into so potent a triumph of the human spirit. There are tough times ahead for sixteen-year-old Billy. He's just come to Fort Worth with his father, Troy, after the death of his mother back in Albuquerque. Troy's drinking and gambling will leave them all but penniless, and he'll soon move on and abandon Billy in this strange town to fend for himself. With only a vague idea of how he's going to live, Billy heads over to Colonial Country Club, where he hopes he can get work as a caddie and where he just might see his hero, Ben Hogan. What he finds there, under the watchful eye of his guardian spirit, teaches him unforgettable lessons about golf, life, love and honor. In Billy Boy, longtime novelist and screenwriter Bud Shrake takes us back to the early 1950s, in a story thick with the Texas dust. Hardscrabble Billy, tough as he thinks he is and smarter than he knows, makes a place for himself behind the walls of privilege at Colonial. He first draws the approval, then the ire, of the club's most eccentric millionaire member, while his looks and manner draw the attention of the millionaire's beautiful granddaughter -- to the displeasure of her boyfriend, the club champion. Billy survives a fierce initiation and a dreadful scene with his drunken father -- but most important, he comes in contact with two of the greatest figures in the history of golf in Texas, Ben Hogan and John Bredemus, each of whom takes Billy under his wing for different reasons and with different results. Shrake skillfully weaves these historical figures and his richly drawn characters into the fabric of the town and the tenor of the time. Billy must face down his fears and doubts, and he does so in a climactic confrontation that combines the yearnings of youth with the redemption of the spirit. Billy Boy is an unforgettable novel of coming of age in a time and a place filled with mythic echoes and frontier dreams.

God has inspired me to write my story with the sole purpose in mind to allow me to go through and experience the trials of everyday events. So one day I will experience the triumphs of His blessings. For without the trials in my life, no way will I be able to experience triumphs and the fullness of his grace. I thank God daily for miraculously sparing me from near death experiences and life threatening episodes. Now, God is preparing me once again for my return to heaven one day to never ever to return to earth again. Mean time I will serve Him faithfully.

These short stories about a real boy, growing up in a real family, as told through a child's eye, will warm your heart and make you laugh. Growing up in the 1960's, in a middle-class household, Billy tells us about his simple adventures with his two brothers and sister and some of the crazy situations that happened to him and their family unit. The stories are all true and make for great bed-time stories for you and your own children to enjoy.

"Billy Boy" is a humorous story about an altar boy growing up in a small New England town and the many conflicts he encounters along the way. When the mysteries of faith, sex, and the world around him were rationalized with a young mind and an imagination that ran wild within his head. When trying to stay one step ahead of his parents, teachers, and the law, he often found himself two steps behind. Although this mostly true tale takes place during the rock and roll era, it could have happened during any time period. This is a must read if you like to laugh, especially at adolescence.

At an early age, BillyBoy\* chose two mentors: Bugs Bunny and Elsa Schiaparelli. From Bugs Bunny, he learned the basics of how to behave in society and how to manage life ' s wicked turns; to be coy, smart, witty, and to always dress appropriately with the assurance of Beau Brummell. But most of all, his cartoon mentor taught him a lighthearted approach to life, and an entertaining charm that is to personality what humor is to good conversation. From Schiaparelli, who he discovered at age fourteen through a very strange hat in a Paris flea market, he learned the meanings of love and art. His human mentor opened doors that he " never even dreamed existed, " as the title character says to her nephew in Auntie Mame. As Schiap turned into a genuine passion, she became a golden thread that led to all sorts of discoveries, encounters, and inspirations over the next forty years. A wealthy orphan with a glamorous but complicated background, BillyBoy\* adopted the legendary designer as a guardian angel of sorts, and has spent a lifetime searching for her, through her clothes. Inspired by Shocking Life, Schiaparelli's own memoir, FROCKING LIFE will resonate with anyone who loves fashion and flamboyant storytelling. Built around some of the most iconic pieces ever created by the designer, this book is about endless discoveries, and the meaning that can be transmitted, across decades, by a simple piece of clothing. Peopled by dazzling characters from Schiaparelli's own inner circle and the worlds of art and fashion— Saint Laurent, Vreeland, Warhol to name a few—this is a scintillating yet profound homage to a woman who saw life as art, and inspired a young boy to do the same. BillyBoy\* has always been a strange fruit and it must be said, not everyone could have a bite of it. The press adored him since he was, as author Edmund White wrote, " good copy. " In fact, his thrilling journey through fashion, culture, and art are deeply tied to what he wore for each occasion. One day, it is a skintight silver lam é studded outfit by Nudie Cohen (the designer of Elvis Presley ' s elaborate ensembles), which was originally made for David Cassidy. For a tea with the Begum Aga Khan at the Ritz, he played the part of the dandy in a conservative suit with impeccable tie, topped by a Vivienne Westwood/ Malcolm McClaren Buffalo hat adorned with a silk lettuce leaf. For an interview at home with German Vogue, he transformed into a sex kitten in hot pants and an Yves Saint Laurent sheer blouse. This book is both BillyBoy\*'s personal story of his intense spiritual and metaphysical journey through life, and also his authoritative insight into the life and work of Elsa Schiaparelli who became such an influence on him. As an historian and collector, his close examination of the milieu of European and American, Scandinavian and Asian high fashion and his detailed research into Schiaparelli's haute couture seasonal collections (and her vast number of licensed fashion and accessories) will appeal not only to fashionistas and haute couture devotees and collectors. It explores their relationship to her era, through the many friendships and relationships with the iconic people in fashion he forged over four decades. Anecdotes of varied stars in all aspects of culture will interest those who study 20th-century art and history.

A true story, this fascinating page-turner demystifies what happens after we die and will forever change your views about life, death and the hereafter. Annie Kagan is not a medium or a psychic, she did not die and come back to life; in fact, when she was awakened by her deceased brother, she thought perhaps she had gone a little crazy In The Afterlife of Billy Fingers: How My Bad-Boy Brother Proved to Me There ' s Life After Death, Kagan shares the extraordinary story of her after death communications (ADC) with her brother Billy, who began speaking to her just weeks after his unexpected death. One of the most detailed and profound ADC ' s ever recorded, Kagan ' s book takes the reader beyond the near-death experience. Billy ' s vivid, real-time account of his on-going journey through the mysteries of death will change the way you think about life. Death and your place in the Universe. In his foreword, Dr. Raymond Moody, author of Life after Life, explains the phenomena of walkers between the worlds, known to us since ancient times, and says that Dr. Kagan ' s thought-provoking account is an excellent example.

"Billy Boy Arnold, born in 1935, is one of the few native Chicagoans who both cultivated a career in the blues and stayed in Chicago. His perspective on Chicago's music, people, and places is rare and valuable. Arnold has worked with generations of musicians-from Tampa Red and Howlin' Wolf and to Muddy Waters and Paul Butterfield-on countless recordings, witnessing the decline of country blues, the dawn of electric blues, the onset of blues-inspired rock, and more. Here, with writer Kim Field, he gets it all down on paper-including the story of how he named Bo Diddley Bo Diddley"--
