From the German invasion of Poland in 1939 to the liberation of her concentration camp in 1945, the author chronicles an adolescence shaped by the horrors of the Holocaust but strengthened by the force of her own will.

As long as there is life, there is hope After Mama is taken away by the Nazis, Riva and her younger brothers cling to their mother's brave words to help them endure life in the Lodz ghetto. Then the family is rounded up, deported to Auschwitz, and separated. Now Riva is alone. At Auschwitz, and later in the work camps at Mittlesteine and Grafenort, Riva vows to live, and to hope - for Mama, for her brothers, for the millions of other victims of the nightmare of the Holocaust. And through determination and courage, and unexpected small acts of kindness, she does live - to write the unforgettable memoir that is a testament to the strength of the human spirit.

A testament to the enduring strength of the human spirit, family, and, above all, hope, this “vivid memoir of a woman who lost her youth and family to the Nazis” (Kirkus Reviews, starred review) is a Holocaust survival story that will be remembered for generations. As long as there is life, there is hope... After Riva’s mother was taken away by the Nazis, Riva and her younger brothers were left to cling to their mother’s brave words to help them endure life in the Lodz ghetto. Then the family is rounded up, deported to Auschwitz, and separated. Now Riva is alone. At Auschwitz, and later in the work camps at Mittlesteine and Grafenort, Riva vows to live, and to hope—for Mama, for her brothers, for the millions of other victims of the nightmare of the Holocaust. And through determination and courage, and unexpected small acts of kindness, she does live. And this unforgettable memoir of love, strength, and survival is her story.

"WE ARE FREE!" When Russian soldiers liberate Grafenort, the Nazi labor camp where she is a prisoner, nineteen-year-old Riva discovers that liberation doesn't mean the end of her hardship and suffering. Cold and starving, threatened with rape by the same Russian soldiers who were her saviors, Riva makes her way to her old home in Poland, searching like so many others for family who may have survived. Strengthened by her mother's credo, as long as there is life, there is hope, and by the promise of a new love and a new life, Riva endures the long years of waiting for real freedom and a real home. Picking up where her acclaimed memoir *The Cage* leaves off, Ruth Minsky Sender has written another inspirational document of the power of hope and love over unspeakable cruelty.

In this emotional sequel to *The Cage* and *To Life*, Ruth Minsky Sender relates her struggle to build a new life in America, her battle to cope with her horrific memories of the Holocaust, and her decision to tell her story. In an effort to teach children about the Holocaust, the author describes the impact of this horrifying event on her life and the lives of other survivors.

Hilary hates Jews. As part of a neo-Nazi gang in her town, she's finally found a sense of belonging. But when she's critically injured in an accident, everything changes. Somehow, in her mind, she has become Chana, a Jewish girl fighting for her own life in the ghettos and concentration camps of World War II. Han Nolan offers powerful insight into one young woman's survival through the Holocaust and another's journey out of hatred and self-loathing. Reader's guide and an interview with the author included.

“What a knockout. An incredibly rich and new voice or American literature... *China Boy* grabs the reader’s heart and won’t let go... A wonder of a story.”—Amy Tan, #1 New York Times bestselling author of *The Joy Luck Club* Kai Ting is the only American-born son of a Shanghai family that fled China during Mao’s revolution. Growing up in a San Francisco multicultural, low-income neighborhood, Kai is caught between two worlds—embracing neither the Chinese nor the American way to life. After his mother’s death, Kai is suddenly plunged into American culture by his stepmother, who tries to erase every vestige of China from the household. Warm, funny and deeply moving, *China Boy* is an account of how a brave friend on the street and a former pro boxing coach equip Kai to navigate through broken family relationships and the perils of growing up in America to find the triumph and richness of developing a new and complex American identity.

What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, *I Have Lived a Thousand Years* is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn’t long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn’t know is that this is only the beginning. The worst is yet to come...

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a tennage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.
