"Complex and challenging... push[es] the boundaries of writing about trauma." "The New York Times [A True Crime Masterpiece] Vogue Entertainment Weekly "Must" List and Best Books of the Year So Far Real Simple's Best New Books Guardian Best Book of the Year Lambda Literary Award Winner Chautauqua Prize Winner "The Fact of a Body is one of the best books I've read this year. It's just astounding." Paula Hawkins, author of Into the Water and The Girl on the Train "This book is a marvel. The Fact of a Body is equal parts gripping and haunting and will leave you questioning whether any one story can hold the full truth." Celeste Ng, author of the New York Times bestselling Everything I Never Told You and Little Fires Everywhere Before Alex Marzano-Lesnevich begins a summer job at a law firm in Louisiana, working to help defend men accused of murder, they think their position is clear. The child of two lawyers, they are staunchly anti-death penalty. But the moment convicted murderer Ricky Langley's face flashes on the screen as they review old tapes—the moment they hear him speak of his crimes -- they are overcome with the feeling of wanting him to die. Shocked by their reaction, they dig deeper and deeper into the case. Despite their vastly different circumstances, something in his story is unsettlingly, uncannily familiar. Crime, even the darkest and most unsayable acts, can happen to any one of us. As Alex pores over the facts of the murder, they find themselves thrust into the complicated narrative of Ricky's childhood. And by examining the details of Ricky's case, they are forced to face their own story, to unearth long-buried family secrets, and reckon with a past that colors their view of Ricky's crime. But another surprise awaits: They weren't the only one who saw their life in Ricky's. An intellectual and emotional thriller that is also a different kind of murder mystery, THE FACT OF A BODY is a book not only about how the story of one crime was constructed -- but about how we grapple with our own personal histories. Along the way it tackles questions about the nature of forgiveness, and if a single narrative can ever really contain something as definitive as the truth. This groundbreaking, heart-stopping work, ten years in the making, shows how the law is more personal than we would like to believe -- and the truth more complicated, and powerful, than we could ever imagine.

'Part memoir, part true crime, wholly brilliant.' Paula Hawkins, author of The Girl on the Train. When law student Alexandria Marzano-Lesnevich is asked to work on a death-row hearing for convicted murderer and child molester Ricky Langley, she finds herself thrust into the tangled story of his childhood. As she digs deeper and deeper into the case she realizes that, despite their vastly different circumstances, something in his story is unsettlingly, uncannily familiar. The Fact of a Body is both an enthralling memoir and a groundbreaking, heart-stopping investigation into how the law is personal, composed of individual stories, and proof that arriving at the truth is more complicated, and powerful, than we could ever imagine.

The gripping true story of a young law student, an unspeakable crime and a past that refuses to stay buried. "Utterly remarkable" The Times "One of the best books I've read this year. Just astounding." Paula Hawkins Before Alexandria Marzano-Lesnevich begins a summer job at a law firm in Louisiana, working on the retrial defence of death-row convicted murderer and child molester, Ricky Langley, she thinks her position is clear. The child of two lawyers, she is staunchly anti death penalty. But the moment Ricky's face flashes on the screen as she reviews old tapes, the moment she hears him speak of his crimes, she is overcome with the feeling of wanting him to die. Shocked by her reaction, she digs deeper and deeper into the case, realizing that despite their vastly different circumstances, something in his story is unsettlingly, uncannily familiar. Crime, even the darkest and most unspeakable acts, can happen to any one of us, and as Alexandria pores over the facts of the murder, she finds herself thrust into the complicated narrative of Ricky's childhood. And by examining minute details of Ricky's case, she is forced to face her own story, to unearth long-buried family secrets, to reckon with how her own past colours her view of his crime. As enthralling as true-crime classics such as In Cold Blood and Midnight in the Garden of Good and Evil and broadcast phenomena such as Making a Murderer and Serial, The Fact of a Body is a groundbreaking, heart-stopping investigation into how the law is personal, composed of individual stories and proof that arriving at the truth is more complicated, and powerful, than we could ever imagine. MORE PRAISE FOR THE FACT OF A BODY "This is a profound and riveting book" Garth Greenwell, author of What Belongs to You "As gripping as a thriller. The Fact of a Body is a disturbing work that explores the toughest questions of law and morality without offering any easy answers." Literary Review "Compulsive, eloquent and profoundly troubling. One of those rare books which embrace the genuine complexity of real life." Mark Haddon, author of The Curious Incident of the Dog in the Night-time "This book is a marvel. ... equal parts gripping and haunting and will leave you questioning whether any one story can hold the full truth." Celeste Ng, author of New York Times bestselling Everything I Never Told You

Waveform champions the diversity of women's approaches to the structure of the essay, today a site of invention and innovation, with experiments in col-lage, fragments, segmentation, braids, triptychs, and diptychs.

Readers will bone up on their knowledge of the human body with this enlightening text about the skeletal system. The skeleton forms framework for the entire body. It protects the organs, stores minerals, and makes it possible for the body to move and function. Readers will study the parts of the skeletal system, learn about types of bones, and discover how the body changes over time. Useful diagrams help readers visualize abstract concepts, and attention-grabbing photographs enrich the comprehensive text.

Discusses the inexpressibility of physical pain and analyzes the philosophical and cultural aspects of pain, torture, and war

Body Image Lies Women Believe * Are you insecure about your looks? * Have you ever compared yourself to someone else and found yourself wanting? * Do compliments or put downs determine the image you have of your beauty? Real Stories of Overcoming Body Image Lies Women Believe with God's Truth Throughout this book, Christian women share their stories of how they have struggled with body image lies and a distorted view of themselves. However, each of their stories also contains hope - the hope of replacing these lies with God's truth. Our prayer for you is that you find encouragement within these pages and allow Christ to transform you with His truth. We Are Each Created Unique God has created each one of us with unique abilities, unique talents and a unique personality. As women we are influencers and God has given us that role and our beauty to share with others. Yet so often we settle for a counterfeit. The enemy has counterfeited our idea of beauty, convincing us to share our beauty with the world in a distorted way. Today that often means that we see our beauty as what we look like on the outside. What Lies Have You Been Believing? Join us for the journey of replacing body image lies with truth from God's Word.

How we become ill and the causes of illness are generally a mystery to most people. Researchers now tell us that 70% to 80% of all illnesses seen by medical doctors are either caused by or made worse by stress. The full story of those Stress-Related Disorders, illnesses produced by stress, are now examines and illuminated by Dr's Allen and Lisa Robyn Lawrence. You must read this book if you, or someone you know: Experience symptoms which you believe indicate that you are becoming ill and want to stop the illness process. Are already ill and are not getting the results you want from your doctor. Are well and want to either prevent becoming ill in the future or learn how you can prevent illness before it can set in. Are already ill and want to learn to work with your body's natural healing ability without expensive, painful or dangerous medical treatments. The Dr's Lawrence take you on step-by-step journey illustrating the role you mind, your body and your spirit play in creating and healing illness. When Your Body Talks, Listen! Will teach you how to protect yourself from Stress-Related Disorders, and the detrimental short and long-term effects from them.

One Million Copies Sold in Series Christian Book Award: ECPA Medallion of Excellence Puberty marks the beginning of significant changes in a child's relationships with parents and the opposite sex. It's an exciting but often stressful time as a child transitions to adulthood. Facing the Facts gives children the information needed to understand exactly what's happening to their bodies during the years ahead and why God planned it to happen just that way.
