The word "lungo" literally means "long", and the "lungo" gets its name from the way it's made. It is made with a so-called "long pull" (slower and more

voluminous extraction) of espresso. It's prepared with the same amount of finely ground coffee and twice the water of a normal espresso shot. A single serving is about 2 ounces, which is roughly the same as a typical doppio (a double-shot of espresso).

The Long Way is the ninth studio album released by American country music artist Doug Stone. It was his only release for the Audium Entertainment label, and its only single ("POW 369", also recorded by Darryl Worley on his 2002 album I Miss My Friend) failed to enter the Billboard country music charts.

This is the first collection in English of the extraordinary letters of one of the great writers of the twentieth century. Italy's most important postwar novelist, Italo Calvino (1923-1985) achieved worldwide fame with such books as *Cosmicomics*, *Invisible Cities*, and *If on a Winter's Night a Traveler*. But he was also an influential literary critic, an important literary editor, and a masterful letter writer whose correspondents included Umberto Eco, Primo Levi, Gore Vidal, Leonardo Sciascia, Natalia Ginzburg, Michelangelo Antonioni, Pier Paolo Pasolini, and Luciano Berio. This book includes a generous selection of about 650 letters, written between World War II and the end of Calvino's life. Selected and introduced by Michael Wood, the letters are expertly rendered into English and annotated by well-known Calvino translator Martin McLaughlin. The letters are filled with insights about Calvino's writing and that of others; about Italian, American, English, and French literature; about literary criticism and literature in general; and about culture and politics. The book also provides a kind of autobiography, documenting Calvino's Communism and his resignation from the party in 1957, his eye-opening trip to the United States in 1959-60, his move to Paris (where he lived from 1967 to 1980), and his trip to his birthplace in Cuba (where he met Che Guevara). Some lengthy letters amount almost to critical essays, while one is an appropriately brief defense of brevity, and there is an even shorter, reassuring note to his parents written on a scrap of paper while he and his brother were in hiding during the antifascist Resistance. This is a book that will fascinate and delight Calvino fans and anyone else interested in a remarkable portrait of a great writer at work.

Ilaria Favretto presents a detailed study which traces the origins of the Third Way by comparing the European Left's contemporary neo-revisionism with past revisionist attempts. Focussing its analysis on the British Labour Party and the Italian Left, *The Long Search for a Third Way* provides new interpretations and insights into the histories of both parties. The book is accessible not only to students and scholars, but also to the general reader interested in contemporary European politics.
