Both Glory Bea Goode, who lives with her grandmother over a second-hand store in Turnback, Missouri, and Marvalene Zulig, who travels with her parents with Shuroffs' Spectacular carnival, are unhappy with their lives until their friendship gives them a new perspective.

Whimsical and touching images tell the story of an unexpected friendship and the revelations it inspires in this moving, wordless picture book from two-time Caldecott Honor medalist Marla Frazee. The farmer reluctantly rescues the little clown, and over the course of one day together, the two of them make some surprising discoveries about themselves—and about life! Sweet, funny, and moving, this wordless picture book from a master of the form and the creator of *The Boss Baby* speaks volumes and will delight story lovers of all ages.

Tall Tales of a Short Clown is the story of Barry Lubin, whose alter ego, Grandma, became one of the most successful clowns in American history, and was named "The World's Funniest Grandma" in Germany. Barry has entertained well over a hundred million people in circus rings, stadiums, arenas, on stage, in festivals, in films, and on television as the funny little carpetbagger with a mischievous view of the world. Barry is undoubtedly the only person to have achieved the combination of performing a running headstand onto a whoopee cushion on stage at Carnegie Hall, eating well over 10,000 bagels, and managing to piss off Ringo Starr, Meryl Streep, Gene Kelly, and Bruce Springstein as well as being inducted into the International Clown Hall of Fame. Tall Tales of a Short Clown follows Barry's journey from Emerson College dropout to Clown College graduate, from his early failures on the Greatest Show on Earth to his induction into the Ring of Fame, the highest honor in clowning and in circus. He reveals his struggles with drug abuse and alcoholism and his journey into sobriety, his bout with thyroid cancer and his triumphant return to the ring, and his love affair with audiences on six continents over five decades, to earn his place as one of the most beloved clowns in history.

Through the eyes of a despairing artist, Hans Schneir, who recreates in his pantomimes incidents in people's lives with honesty and compassion, Boll draws a revealing portrait of German society under Hitler and in the postwar years.

Thirteen-year-old Freedom who, along with her stepbrother, is being raised by an embittered alcoholic mother, longs to know who her father is and why his identity has always been a secret.
