Inspecteur Ian Frey wordt gedetacheerd in Victoriaans Edinburgh en probeert met zijn nieuwe collega McGray een seriemoordenaar te ontmaskeren.

1888: A violinist is brutally murdered in his Edinburgh home. Fearing a national panic over a copycat Jack the Ripper, Scotland Yard send Inspector Ian Frey. Frey reports to Detective "Nine-Nails" McGray, local legend and exact opposite of the foppish English Inspector. McGray's tragic past has driven him to superstition, but even Frey must admit that this case seems beyond belief. There was no way in or out of the locked music studio. And there are black magic symbols on the floor. The dead man's maid swears there were three musicians playing before the murder. And the suspects all talk of a cursed violin once played by the Devil himself. Inspector Frey has always been a man of reason—but the longer this investigation goes on, the more his grasp on reason seems to be slipping...

'A hugely entertaining Victorian mystery' New York Times 'I enjoyed this - properly creepy and Gothic' Ian Rankin A spellbinding concoction of crime, history and horror - perfect for fans of Sherlock Holmes and Jonathan Creek. The First Case for Frey & McGray. Edinburgh, 1888. A violinist is murdered in his home. The dead virtuoso's maid swears she heard three musicians playing in the night. But with only one body in the locked practice room - and no way in or out - the case makes no sense. Fearing a national panic over another Ripper, Scotland Yard sends Inspector Ian Frey to investigate under the cover of a fake department specializing in the occult. However, Frey's new boss, Detective 'Nine-Nails' McGray, actually believes in such supernatural nonsense. McGray's tragic past has driven him to superstition, but

even Frey must admit that this case seems beyond reason. And once someone loses all reason, who knows what they will lose next... * *
* 'This is wonderful. A brilliant, moving, clever, lyrical book - I loved it. Oscar de Muriel is going to be a name to watch.' Manda Scott 'A great cop double-act ... It's the pairing of the upright Frey and the unorthodox McGray that notches up the stars for this book. Like de Muriel, they're going places.' Sunday Sport 'One of the best debuts so far this year - a brilliant mix of horror, history, and humour. Genuinely riveting ... with plenty of twists, this will keep you turning the pages. It's clever, occasionally frightening and superbly written - The Strings Of Murder is everything you need in a mystery thriller.' Crime Review

The brutal slaying of a violinist in his home in 1888 sparks a locked room murder mystery investigated by two diametrically opposed Edinburgh detectives. 1888: a violinist is brutally murdered in his Edinburgh home. This riveting new detective novel evokes a spellbinding concoction of crime, history, and horror—perfect for fans of Arthur Conan Doyle and P.D. James. *New Year's Day, 1889*. In Edinburgh's lunatic asylum, a patient escapes as a nurse lays dying. Leading the manhunt are legendary local Detective 'Nine-Nails' McGray and Londoner-in-exile Inspector Ian Frey. Before the murder, the suspect was heard in whispered conversation with a fellow patient—a girl who had been mute for years. What made her suddenly break her silence? And why won't she talk again? Could the rumours about black magic be more than superstition? McGray and Frey track a devious psychopath far beyond their jurisdiction, through the worst blizzard in living memory, into the shadow of Pendle Hill—home of the Lancashire witches—where unimaginable danger awaits.

Edinburgh's most unlikely detective duo—"Nine-Nails" McGray and Inspector Ian Frey— must try to solve a murder mystery on the Scottish stage, as a new production of *Macbeth* is attracting the machinations of a serial killer . . . *Edinburgh, 1889*. The Scottish Play is coming home. But before the darlings of London theater—Henry Irving and Ellen Terry—take their acclaimed *Macbeth* to the Edinburgh stage, terror treads the boards: A grisly message is found smeared across the cobbles in blood, foretelling someone's demise. As the bloody prophecies continue to come to fruition, Edinburgh's own beloved pair of detectives—"Nine-Nails" McGray

and Inspector Ian Frey—enter the scene. Frey scoffs at what he believes is a blatant publicity stunt, while McGray is convinced that the supernatural must be at play. As they scrutinize the key players, they discover that Irving, Terry, and their peculiar, preoccupied assistant, Bram Stoker, all have reasons to kill, or be killed. But one thing is clear: by occult curse or human hand, death will take a bow the night the curtain rises.

Edinburgh's most famed detective duo—"Nine-Nails" McGray and Inspector Ian Frey—face their most metaphysical mystery yet, as they investigate a series of crimes surrounding the miraculous waters in the remote Loch Maree. A mysterious woman pleads for the help of Inspectors Are and "Nine-Nails" McGray. Her son, illegitimate scion of the Koloman family, has received an anonymous death threat—right after learning he is to inherit the best part of a vast wine-producing estate. In exchange for their protection, she offers McGray the ultimate cure for his sister, who has been locked in an insane asylum after brutally murdering their parents: the miraculous waters that spring from a small island in the remote Loch Maree. The island has been a sacred burial ground since the time of the druids, but the legends around it will turn out to be much darker than McGray could have expected. Murder and increasingly bizarre happenings will intermingle throughout this trip to the Highlands, before Frey and McGray learn a terrible truth.

'Properly creepy and Gothic' IAN RANKIN on the Frey & McGray mysteries... December, 1889. There have been many bad days in Edinburgh police's secret subdivision 'The Commission for the Elucidation of Unsolved Cases Presumably Related to the Odd and Ghostly'. But today is surely the worst. Because the exiled English Inspector Ian Frey, and his Scottish boss 'Nine-Nails' McGray are summoned to a meeting in the middle of the night with the Prime Minister himself. And he tells them that Queen Victoria - the most powerful person in the world - wants them both dead. To be

pardoned they must embark on a mission so dangerous that they might be saving Her Majesty the job of executing them. Because this case ties together the dark history of the Pendle witches, with the tragic case of McGray own sister, to a conspiracy within the highest office in the land... * * * * * Praise for the Frey & McGray mysteries: 'A hugely entertaining Victorian mystery' New York Times 'A fun to read fast page-turner' Independent 'A brilliant mix of horror, history, and humour. Genuinely riveting with plenty of twists, this will keep you turning the pages. It's clever, occasionally frightening and superbly written ... Everything you need in a mystery thriller' Crime Review 'It's official: I am addicted to Frey and McGray' Christopher Fowler, author of the BRYANT & MAY series

In this new installment in the engaging mystery series Booklist called “pitch-perfect” and “enthraling”—currently in development as a BBC television series—the incomparable playwright, novelist, raconteur, and now ex-convict Oscar Wilde faces his most fiendishly puzzling case yet. Oscar Wilde has fled to France after his release from Reading Gaol. Tonight he is sharing a drink and the story of his cruel imprisonment with a mysterious stranger. Oscar has endured the treadmill, solitary confinement, censored letters, no writing materials. Yet even in the midst of such deprivation, his astonishing detective powers remain undiminished—and when first a brutal warder and then the prison chaplain are found murdered, who else should the governor turn to for help other than Reading Gaol’s most celebrated inmate?
