After her mother dies, sixteen-year-old Rose works through her grief by finding meaning in a survival kit that her mother left behind.

A CHILLING NOVEL ABOUT THE ISOLATION OF BEING STALKED AND THE ABUSE OF POWER. Olivia Peters is over the moon when her literary idol, the celebrated novelist and muchadored local priest Mark D. Brendan, offers to become her personal writing

## Online Library The Survival Kit Donna Freitas

mentor. But when Father Mark's enthusiasm for Olivia's prose develops into something more, Olivia's emotions quickly shift from wonder to confusion to despair. Exactly what game is Father Mark playing, and how on earth can she get out of it? This remarkable novel about overcoming the isolation that stems from victimization is powerful, luminous, and impossible to put down.

What this book is NOT: The fear-based How-To on sex and consent, oversimplified and focused on technicalities, that represents so much of our sexual education today. What this book IS: A journey into the Big Questions that will turn you into a thinking person

# Online Library The Survival Kit Donna Freitas

about sex and consent, with the ability to wrestle towards the answers that work for YOU and continue to wrestle towards them for the rest of your life. What is the meaning and purpose of sex? How does it intersect with who I am? Why are people so afraid of it? What does a healthy and joyful approach to sex look like for me? Why is consent so much more than a yes or no question? Who this book is FOR: Everybody!! No matter your sexuality, gender, religion, or race. What could be more essential?

In the tradition of M. T. Anderson's *Feed* and Scott Westerfeld's *Uglies*, this heart-pounding sequel to *Unplugged* continues the series that Kass Morgan,

New York Times bestselling author of *The 100*, called “chilling and addictive.” Skylar Cruz found her sister in the Real World—only to learn that her sister has betrayed her and put everyone in the App World in danger. The Body Market is now open for business and everyone still plugged into the App World is for sale. Shaken by the betrayal of everyone she trusted, Skylar is through being a pawn. She may be the only one who can stop what her family started. And she has to do it before the App World runs out of time.

In the tradition of M. T. Anderson’s *Feed* and Scott Westerfeld’s *Uglies*, *Unplugged* is the first in a provocative and compelling new series from

acclaimed author Donna Freitas. Humanity is split into a dying physical world for the poor and an extravagant virtual world for the wealthy. Years ago, Skylar Cruz crossed over to the App World for a chance at a better life, and her family stayed behind in the Real World. Now Skye is a virtual teenager, surrounded by glamorous apps and expensive downloads—yet she's never felt like she fits in, and all she wants is to see her mother and sister again. Skye is desperate and ready to risk everything to unplug from the App World. But she soon learns that the only person she can trust—in either world, including friends and family—is herself.

A deeply moving novel about a woman who thought she never wanted to be a mother—and the many ways that life can surprise us “An ode to possibility” — The Washington Post Rose Napolitano is fighting with her husband, Luke, about prenatal vitamins. She promised she'd take them, but didn't. He promised before they got married that he'd never want children, but now he's changed his mind. Their marriage has come to rest on this one question: Can Rose find it in herself to become a mother? Rose is a successful professor and academic. She's never wanted to have a child. The fight ends, and with it their marriage. But then, Rose has a fight with Luke about the vitamins--again. This time the fight goes

slightly differently, and so does Rose's future as she grapples with whether she can indeed give up the one thing she thought she knew about herself. Can she reimagine her life in a completely new way? That reimagining plays out again and again in each of Rose's nine lives, just as it does for each of us as we grow into adulthood. What are the consequences of our biggest choices? How would life change if we let go of our preconceived ideas of ourselves and became someone completely new? Rose Napolitano's experience of choosing and then choosing again shows us in an utterly compelling way what it means, literally, to reinvent a life and, sometimes, become a different kind of woman than we ever imagined. A

stunning novel about love, loss, betrayal, divorce, death, a woman's career and her identity, *The Nine Lives of Rose Napolitano* is about finding one's way into a future that wasn't the future one planned, and the ways that fate intercedes when we least expect it.

A summer romance filled with danger and lies Jane is ready for a fantastic summer. In fact, she's pretty sure the universe owes her one. This past winter, Jane was held at knifepoint during an armed robbery and the specter of that night still haunts her. A summer romance with one of the town bad boys—sexy Handel Davies, who takes her breath away and makes her feel like a bolder version of herself—seems like the

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults

giving them guidance.

In the tradition of M. T. Anderson's *Feed* and Scott Westerfeld's *Uglies*, *The Mind Virus* is the thrilling conclusion to the *Unplugged* series, which Kass Morgan, New York Times bestselling author of *The 100*, called "chilling and addictive." Skylar Cruz has managed to shut down the body market that her sister Jude opened, and to create a door to allow App World citizens reentry into the Real World. But as tensions between the newly mingling people escalate, she's not sure if it was the right decision after all. Still reeling from Kit's betrayal, she's not sure of anything anymore. And for those who are still in the App World,

## Online Library The Survival Kit Donna Freitas

a new danger looms. A virus, set in motion by Jude's actions, is killing off the bodies of those who remained plugged in—and no one knows how to stop it. It's up to Skylar to once again save the worlds—and only time will tell who will be standing alongside her in the end.

Esperanza Flores is "America's Hope for the Gold!" in this sweet novel about a figure skater who gets the chance to achieve her Olympic dreams. After years of practice and competitions, of sit spins and perfect poses and thrillingly high jumps, Esperanza Flores will be skating for the United States. But with the excitement of an Olympic shot comes new attention --

## Online Library The Survival Kit Donna Freitas

and BIG distractions. Suddenly Espi can't go out with her friends, or even out her back door, without reporters and autograph-seekers following her every move. The other U.S. figure skaters have a lot more international experience, and they let Espi know they don't think she's ready. And Hunter Wills, the men's figure skating champion, seems to be flirting with her, even as the press matches her up with Danny Morrison, the youngest -- and maybe cutest -- member of the U.S. hockey team. In the midst of all this, Espi is trying to master an impossible secret jump that just might be her key to a medal.
