The Voice in the Night It was a dark, starless night. We were becalmed in the Northern Pacific. Our exact position I do not know; for the sun had been hidden during the course of a weary, breathless week, by a thin haze which had seemed to float above us, about the height of our mastheads, at whiles descending and shrouding the surrounding sea.

The Voice in the Night, a short story by William Hope Hodgson, has been adapted by the cinema a number of times, most prominently in the 1963 Japanese film “ Matango ” . It also appeared in Alfred Hitchcock's paperback anthology “ Alfred Hitchcock Presents: Stories They Wouldn't Let Me Do on TV ” . William Hope Hodgson (1877 – 1918) was an English author that produced essays and novels, that mixes horror, fantastic fiction and science fiction. Hodgson used his experiences at sea to his short stories, many of which are set on the ocean. Hodgson ’ s single most famous story is probably The Voice in the Night ” , where a fisherman ’ s aboard a ship in the North Pacific, on night watch in a fog-bank, hears a voice call out from the sea. The voice asks for food, but it insists it can

Strange he places on small town life, Steven Millhauser further reveals in *Voices in the Night* the darkest parts of our inner selves to brilliant and dazzling effect. Here are stories of wondrously imaginative hyperrealism, stories that pose unforgettably unsettling what-ifs, or that find barely perceivable evils within the safe boundaries of our towns, homes, and even within our bodies. Here, too, are stories culled from religion and fables: Samuel, who hears the voice of God calling him in the night; a young, pre-enlightenment Buddha, who searches for his purpose in life; Rapunzel and her Prince, who struggle to fit the real world to their dream. Heightened by magic, the divine, and the uncanny, shot through with sly and winning humor, *Voices in the Night* seamlessly combines the whimsy and surprise of the familiar
