Paperback. \$15.95. *Architects of Ruin: How Big Government Liberals Wrecked the Global Economy-and How They Will Do It Again If No One Stops Them*

Extortion: How Politicians Extract Your Money, Buy Votes ...

The Kick Them All Out Project began in 2006 to promote a revolutionary voting strategy that offered a simple, practical and doable way for the American people to begin draining the stinking swamp our Congress has become. Since the only direct power we have over Congress is the power to hire and fire at the ballot box, the KTAO Project voting strategy provided a way for us to "actually throw the bums out!"

Should I throw them out? I washed 2 pillows at the laundromat, but they weren't fully 100 percent dry. I was in rush and threw them in a clean garbage bag and had intentions of letting them air dry when I got home. I put them in the closet and forgot to take them out of the bag. When I needed them, I found they had black spots on them.

The author of *The Bushes* offers his views on the corruption that he believes runs rampant in the American government.

THE BOOK WASHINGTON DOES NOT WANT YOU TO READ How is it that politicians often enter office with relatively modest assets, but then, as investors, regularly beat the stock market and sometimes beat the most rapacious hedge funds? How did some members of Congress know to dump their stock holdings just in time to escape the effects of the 2008 financial meltdown? And how is it that billionaires and hedge fund managers often make well-timed investment decisions that anticipate events in Washington? In this powerfully argued book, Peter Schweizer blows the lid off Washington's epidemic of "honest graft." He exposes a secret world where members of Congress insert earmarks into bills to improve their own real-estate holdings, and campaign contributors receive billions in federal grants. Nobody goes to jail. *Throw Them All Out* casts light into the darkest corners of the political system — and offers ways to clean house. "Throw Them All Out is filled with stories of petty theft and so-called 'honest graft' . . . Unsparringly bipartisan in [its] criticism of Washington . . . Mr. Schweizer has performed a valuable service to his country." — *Washington Times*

The must-read summary of Peter Schweizer's book: "*Throw Them All Out: How Politicians and Their Friends Get Rich Off Insider Stock Tips, Land Deals, and Cronyism That Would Send the Rest of Us to Prison*". This complete summary of "*Throw Them All Out*" by Peter Schweizer, a renowned American writer and political consultant, shows how Washington politicians have become entrepreneurs by extracting wealth from their privileged access to information and their proximity to power. In his book, the author exposes all of the actions of these politicians after conducting thorough research on financial records, deals and stock trades. Added-value of this summary: — Save time — Understand political corruption and insider trading in the US — Expand your knowledge of American politics To learn more, read "*Throw Them All Out*" and discover what may really be going on behind the closed doors of the White House.

"Schweizer names guilty parties . . . He exposes powerful figures in politics, law firms, and corporations." — *Forbes* Washington is no longer about lawmaking, it's about moneymaking. Conventional wisdom holds that Washington is broken because outside special interests bribe politicians. The reverse is true: politicians have developed a new set of brass-knuckle legislative tactics designed to extort wealthy industries and donors into forking over big donations — cash that lawmakers often funnel into the pockets of their friends and family. Inside this best-selling bombshell of a book, Schweizer reveals the exorbitant secret "fees" each political party charges politicians for top committee assignments; how fourteen members of Congress bagged hundreds of thousands of dollars using a little-known self-loan loophole; how politicians use PACs to bankroll lavish lifestyles; and much more. Washington's extortion racket has gone unreported — until now.

The author of *The Bushes: Portrait of a Dynasty* provides a hard-hitting critique of the liberal life and of the contradictions between public stances and real-life behavior among prominent liberals, including Ralph Nader, Noam Chomsky, Cornel West, George Soros, the Kennedys, Michael Moore, and Barbra Streisand. Reprint. 20,000 first printing.

NEW YORK TIMES BESTSELLER! Washington insiders operate by a proven credo: When a Peter Schweizer book drops, duck and brace for impact. For over a decade, the work of six-time New York Times bestselling investigative reporter Peter Schweizer has sent shockwaves through the political universe. Clinton Cash revealed the Clintons' international money flow, exposed global corruption, and sparked an FBI investigation. *Secret Empires* exposed

bipartisan corruption and launched congressional investigations. And Throw Them All Out and Extortion prompted passage of the STOCK Act. Indeed, Schweizer's "follow the money" bombshell revelations have been featured on the front pages of the New York Times and the Wall Street Journal, and regularly appear on national news programs, including 60 Minutes. Now Schweizer and his team of seasoned investigators turn their focus to the nation's top progressives—politicians who strive to acquire more government power to achieve their political ends. Can they be trusted with more power? In Profiles in Corruption, Schweizer offers a deep-dive investigation into the private finances, and secrets deals of some of America's top political leaders. And, as usual, he doesn't disappoint, with never-before-reported revelations that uncover corruption and abuse of power—all backed up by a mountain of corporate documents and legal filings from around the globe. Learn about how they are making sweetheart deals, generating side income, bending the law to their own benefits, using legislation to advance their own interests, and much more. Profiles in Corruption contains tomorrow's headlines.

From the New York Times bestselling author of Clinton Cash comes an explosive new political expose!

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Throw Them All Out: How Politicians and Their Friends Get Rich Off Insider Stock Tips, Land Deals, and Cronyism That Wou." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The defeat of House Majority Leader Eric Cantor on June 10, 2014, was the most stunning upset in modern political history. Shown by his own polling to be leading by 34 points in the Virginia district he'd represented fourteen years, outspending little-known primary opponent Dave Brat 40-1, Cantor - widely presumed to be the next Speaker - was crushed by eleven points. Typically, the elite media had totally missed the story, buying into the narrative of Cantor-the-inevitable. Meanwhile the Brat campaign was putting together a vast, highly motivated grassroots army that day by day, voter by voter, was exposing Cantor for who he really was: not the staunch 'young gun' conservative he played on TV, but one of the nation's leading RINOs (Republican in Name Only), indifferent to his constituents, deeply self-interested and a key behind-the-scenes Democrat enabler on Obamacare, immigration and spending. The architects of that remarkable, against-all-odds victory were 23-year old Zach Werrell and 24-year old gray Delany. In 'How to Bag a RINO, ' they reveal in detail how it was achieved, and why it is a model for similar insurgent GOP campaigns across America as grassroots Republicans fight to take back their party, and the country. "This is the book the Republican Establishment does NOT want you to read" - Peter Schweizer, author of 'Clinton Cash' and 'Throw Them All Out.'

Presents a guide to making, troubleshooting, and correctly throwing paper boomerangs, as well as information on the history of boomerangs and the principles of how they work.
