True Detective meets X-Files in the first installment of the Luke McWhorter series Nine physicists are dead. The medical examiner has determined that the victims died from drinking coffee laced with rat poison. The owner of the house, Professor Thaddeus Huntgardner, isn ' t suspected, but his claim that a piece of the debris from Roswell ' s 1947 UFO crash was hidden in Flagler might be true. Enter Luther " Luke " Stephens McWhorter, a Yale Divinity School — educated West Texas sheriff with all the right questions. Is the fragment real? If so, who is trying to locate it? And what has fueled the byzantine activities of Abbot County ' s two secret societies for the past 70 years? Working with FBI agent and girlfriend, Angie Steele, Sheriff Luke begins to put together all the pieces and come to understand the connection between seemingly unrelated phenomena.

After wishing there were two of him to complete all the items on his "to do" list, Leo discovers that the real problem is not the number of Leos, but the length of his list and tries to find a creative solution to his overscheduling dilemma!

This book is the first to present a vivid and accurate picture of the thousands of women who worked weeding the rice fields in northern Italy during the early part of the nineteenth century. It explores a wide range of issues including the political, economic, and social history of Italy; labor legislation; the role of the judicial system; the sexual division of labor; family structure; class conflict between the rural proletariat and the politically influential capitalist farmers; work-related diseases; internal migration of labor; and child labor. The author provides penetrating insights into the Socialist Party s efforts to wrest women workers from the influence of the Catholic Church; the history of Italian feminism and the campaign for the vote; and finally, the workers opposition to Italy s entrance into World War I. She analyzes the weeders relations with labor organizers; their desire to preserve their autonomy; and their decisions regarding labor actions; and she highlights similarities between the weeders experiences and those of other women workers and labor organizers in Europe and the U. S..
