Forensic taphonomy is the study of the postmortem changes to human remains, focusing largely on environmental effects including decomposition in soil and water and interaction with plants, insects, and other animals. While other books have focused on subsets such as forensic botany and entomology, Manual of Forensic Taphonomy is the first update of

This text provides a quick, practical guide to the grammar, punctuation, and usage skills students need most and takes a self-teaching approach.

Why are some countries rich and others poor? David N. Weil, one of the top researchers in economic growth, introduces students to the latest theoretical tools, data, and insights underlying this pivotal question. By showing how empirical data relate to new and old theoretical ideas, Economic Growth provides students with a complete introduction to the discipline and the latest research. With its comprehensive and flexible organization, Economic Growth is ideal for a wide array of courses, including undergraduate and graduate courses in economic growth, economic development, macro theory, applied econometrics, and development studies.

Warmwater fly fishing is growing in popularity among fly fishermen. Species such as bass (largemouth and small mouth), sunfish, perch, and even carp now demand an increasingly large portion of our attention. The American Angler Guide to Warmwater Fly Fishing will be a quick and succinct handbook, presenting only the essentials of this growing aspect of our sport. A quick, demystifying read, the beginning and intermediate angler will find everything they need to know in this slim, smart volume. The table of contents will contain, as a start, the rudiments of casting technique, gear selection, a survey of various warmwater species and their habitats, and finally an overview of prime destinations for planning your trip. Forty to fifty color photographs will accompany the text. Original illustrations by Robert Prince.

Book jacket.

Hypnobirthing gives you a quick, easy and natural pain free birth without drugs. Join mothers around the globe and discover the power of the most modern, comprehensive and complete Hypnobirthing Course worldwide. This step by step guide covers natural birthing, alternative options and best medical interventions. Your birth will be calm and easy.

The book is divided into 11 sections, covering evidence-informed techniques in massage, trigger points, neural muscle energy, manipulations, dry needling, myofascial release, therapeutic exercise and psychological approaches. In the general introduction, several authors review the epidemiology of upper and lower extremity pain syndromes and the process of taking a comprehensive history in patients affected by pain. In chapter 5, the basic principles of the physical examination are covered, while chapter 6 places the field of manual therapy within the context of contemporary pain neurosciences and therapeutic neuroscience education. For the remaining sections, the book alternates the upper and lower quadrants. Sections 2 and 3 provide updates on mechanical neck pain, whiplash, thoracic outlet syndrome, myelopathy, radiculopathy, peri-partum pelvic pain, joint mobilizations and manipulations and therapeutic exercises, among others. Sections 4 to 9 review aspects of the shoulder, hip, elbow, knee, the wrist and hand, and finally the ankle and foot. The last two sections of the book are devoted to muscle referred pain and neurodynamics.

Secrets gather in the shadows of Britain's Draycott Abbey—intrigues of evil, unscrupulous men...and the astonishing mysteries of a star-crossed romance from centuries past.Dashing ex-Royal Marine Michael Burke has come to Draycott to unmask a treacherous conspiracy. Kelly Hamilton, a beautiful archeologist gifted with second sight, is searching for a priceless historical relic. But soon both are caught up in the magic of the moon-drenched abbey—unexpectedly united in desire and sensuous need...as they are drawn deeper and deeper into a dangerous web of deceit and betrayal. For only Michael and Kelly hold the key to the future and the past. And only their bold new passion can lay the abbey's ghosts to rest...by fulfilling the ancient promise of a rapturous love reborn.
