them. The author discusses shooting positions, target shooting and the reloading of ammunition. First published in the early 20th century, this book contains dedicated sections on revolver practice for the police forces of the period and interesting guidance in the use of hand-guns for ladies. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands.
