Margaret Wrinkle - WASH

"Wash" by Margaret Wrinkle was a well written novel of 'personal stories of two people: Wash (slave) and Richardson's (Wash's owner).' Once I picked it up I wasn't able to put down because it was one was really very fascinating read about slavery from this point of view that kept me very interested.

Wash by Margaret Wrinkle - Goodreads

Wash, Margaret Wrinkle "Wash," a debut novel by Margaret Wrinkle, clearly establishes her as one of America's finest new talents. "Wash" (short for "Washington") is the story of a slave and those around him in the first quarter of the nineteenth century.

From the #1 New York Times bestselling author of *The Handmaid's Tale* One of Margaret Atwood's most unforgettable characters lurks at the center of this intricate novel like a spider in a web. The glamorous, irresistible, unscrupulous Zenia is nothing less than a fairy-tale villain in the memories of her former friends. Roz, Charis, and Tony—university

Read Book Wash Margaret Wrinkle

classmates decades ago—were reunited at Zenia’s funeral and have met monthly for lunch ever since, obsessively retracing the destructive swath she once cut through their lives. A brilliantly inventive fabulist, Zenia had a talent for exploiting her friends’ weaknesses, wielding intimacy as a weapon and cheating them of money, time, sympathy, and men. But one day, five years after her funeral, they are shocked to catch sight of Zenia: even her death appears to have been yet another fiction. As the three women plot to confront their larger-than-life nemesis, Atwood proves herself a gleefully acute observer of the treacherous shoals of friendship, trust, desire, and power.

“I read *The Kingdom* and couldn’t put it down ... Suspenseful ... Original ... This one is special in every way.” —Stephen King

MYSTERY AND THRILLER OF THE YEAR Two brothers. One small town. A lifetime of dark secrets. A tense and atmospheric standalone thriller from best-selling author Jo Nesbø. Roy has never left the quiet mountain town he grew up in, unlike his little brother Carl who couldn't wait to get out and escape his troubled past. Just like everyone else in town, Roy believed Carl was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to violence. Roy has always protected his younger brother. As the body count rises,

Read Book Wash Margaret Wrinkle

though, Roy's loyalty to family is tested. And then Roy finds himself inextricably drawn to Carl's wife, Shannon, an attraction that will have devastating consequences. Roy's world is coming apart and soon there will be no turning back. He'll be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

“[An] irresistible invitation to share the lives of people who believe in enduring values.”—Detroit Free Press It began with Benny Hogan and Eve Malone, growing up, inseparable, in the village of Knockglen. Benny—the only child, yearning to break free from her adoring parents. . . . Eve—the orphaned offspring of a convent handyman and a rebellious blueblood, abandoned by her mother's wealthy family to be raised by nuns. Eve and Benny—they knew the sins and secrets

behind every villager's lace curtains . . .
except their own. It widened at Dublin, at
the university where Benny and Eve met
beautiful Nan Mahlon and Jack Foley, a
doctor's handsome son. But heartbreak and
betrayal would bring the worlds of
Knockglen and Dublin into explosive
collision. Long-hidden lies would emerge
to test the meaning of love and the
strength of ties held within the fragile gold
bands of a . . . Circle Of Friends. Praise for
Circle of Friends “A rare pleasure . . . at
terrific tale, told by a master
storyteller.”—Susan Isaacs, *The New York
Times Book Review* “Circle of Friends
welcomes you in.”—*The Washington Post*

The acclaimed novel by the author of *The
Why of Things* tackles “the Deep South
during the Gothic worst of Jim Crow times
. . . truly a bravura performance”
(Geoffrey Wolff). “One of the finest

Read Book Wash Margaret Wrinkle

writers of her generation,” and author of three previously acclaimed novels, Elizabeth H. Winthrop delivers a brave new book that will launch her distinguished career anew (Brad Watson). On the eve of his execution, eighteen-year-old Willie Jones sits in his cell in New Iberia awaiting his end. Across the state, a truck driven by a convict and his keeper carries the executioner’s chair closer. On a nearby highway, Willie’s father Frank lugs a gravestone on the back of his fading, old mule. In his office the DA who prosecuted Willie reckons with his sentencing, while at their gas station at the crossroads outside of town, married couple Ora and Dale grapple with their grief and their secrets. As various members of the township consider and reflect on what Willie’s execution means, an intricately layered and complex portrait of a Jim Crow era Southern community emerges.

Read Book Wash Margaret Wrinkle

Moving from voice to voice, Winthrop elegantly brings to stark light the story of a town, its people, and its injustices. The Mercy Seat is a brutally incisive and tender novel from one of our most acute literary observers. "Artful and succinctly poetic . . . A worthy novel that gathers great power as it rolls on propelled by its many voices."—The New York Times Book Review "A miracle of a novel, with rapid-fire sentences that grab you and propel you to the next page . . . It's a breakout. It's a wonder."—Dallas Morning News

NEW YORK TIMES BEST SELLER - A hilarious novel of social and political intrigue, set against the glittering backdrop of Florida's gold coast, from the author of Skinny Dip and Razor Girl "If you could use some wild escapism right now, Hiaasen is your guy." --The New York

Times WITH A NEW EPILOGUE At the height of Palm Beach's charity ball season, Kiki Pew Fitzsimmons, a prominent member of geriatric high society, suddenly vanishes during a swank gala. Kiki Pew was a founding member of the Potussies, a group of women dedicated to supporting the President, who spends half the year at the "Winter White House" just down the road. Meanwhile, Angie Armstrong, wildlife wrangler extraordinaire, is called to the island to deal with a monster-sized Burmese python that has taken residency in a tree. But the President is focused on the disappearance of Kiki Pew. Never one to miss an opportunity to play to his base, he immediately declares her a victim of rampaging immigrant hordes. This, it turns out, is far from the truth, which now lies in the middle of the road, where a bizarre discovery brings the First Lady's motorcade to a grinding halt. Irreverent,

Read Book Wash Margaret Wrinkle

ingenious, and uproariously entertaining, Squeeze Me perfectly captures the absurdity of our times.

"The story follows Hetty "Handful" Grimke, a Charleston slave, and Sarah, the daughter of the wealthy Grimke family. The novel begins on Sarah's eleventh birthday, when she is given ownership over Handful, who is to be her handmaid. "The Invention of Wings" follows the next thirty-five years of their lives. Inspired in part by the historical figure of Sarah Grimke (a feminist, suffragist and, importantly, an abolitionist), Kidd allows herself to go beyond the record to flesh out the inner lives of all the characters, both real and imagined"--Provided by publisher.

For fans of Cold Mountain and The Invention of Wings comes "a magnificent,

Read Book Wash Margaret Wrinkle

immersive, breathtaking work of historical fiction” (Jennifer Chiaverini, New York Times bestselling author) that follows the epic journey of a slave-turned-Comanche warrior who travels from the brutality of a New Orleans sugar cane plantation to the indomitable frontier of untamed Texas, searching not only for the woman he loves but also for his own identity. I have been to hangings before, but never my own. Sitting in a jail cell on the eve of his hanging, April 1, 1875, freedman Persimmon “Persy” Wilson wants to leave a record of the truth—his truth. He may be guilty, but not of what he stands accused: the kidnapping and rape of his former master’s wife. In 1860, Persy had been sold to Sweetmore, a Louisiana sugar plantation, alongside a striking house slave named Chloe. Their deep and instant connection fueled a love affair and inspired plans to escape their owner,

Read Book Wash Margaret Wrinkle

Master Wilson, who claimed Chloe as his concubine. But on the eve of the Union Army's attack on New Orleans, Wilson shot Persy, leaving him for dead, and fled with Chloe and his other slaves to Texas. So began Persy's journey across the frontier, determined to reunite with his lost love. Along the way, the Comanche captured him and his only chance of survival was to prove himself capable of becoming a warrior. His odyssey of warfare, heartbreak, unlikely friendships, and newfound family would change the very core of his identity and teach him the meaning and the price of freedom. From the author of the New York Times Notable Book *Life Without Water*, *The Life and Times of Persimmon Wilson* is a sweeping love story that "is as deeply moving and exciting an American saga as has ever been penned" (Lee Smith, author of *Dimestore*).

Read Book Wash Margaret Wrinkle

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

Stegner's Pulitzer Prize-winning novel is

Read Book Wash Margaret Wrinkle

the story of four generations in the life of an American family. A wheelchair-bound retired historian embarks on a monumental quest: to come to know his grandparents, now long dead. The unfolding drama of the story of the American West sets the tone for Stegner's masterpiece.

Trapped between the hormone-driven world of her friends and the discontent of her dysfunctional family, fourteen-year-old Georgia is only completely at ease when she's dancing. When she is accepted into Canada's preeminent ballet school, Georgia thinks it is the perfect escape. Artistic Director Roderick Allen singles her out as a star, subjecting her to increasingly intensive training, and Georgia obsesses about becoming the perfect, disciplined student. But as she spends more and more time with Roderick, it's not so clear exactly what

Read Book Wash Margaret Wrinkle

their relationship means. Is he her teacher and mentor, or is there something more? These blurred lines will threaten both Roderick's future at the academy and Georgia's ambitions as a ballerina.
